Rufus Personals

By Mrs. Geo. L. Fox

The Home Ec club of Rufus had its monthly meeting at the hall March 10 with Mrs. Will Huck and Mrs. Bert Swigart as hostesses. The hostesses had a dessert lunch served on St. Patrick tablecloths with napkins. The dessert further carried out the St. Patrick theme and this was served with the rolled Norwegian cookies and coffee. Mrs. Grace Medler, chairman, called the business meeting to order with a prayer by Mrs. Trace Fields. Roll call was answered by each telling something about community service. The secretary has the new year books available. Mrs. Fred Harrison was asked to display her tin can craft at the grange conference which drew a lot of attention. A lady from the Coop Homemakers is coming to Rufus May 5 and 6 and will have meetings from 9 to 4. This will be open to the public.

Rufus Grangers are planning to have Booster Night program March 19. Rufus Grange women are asked to make cakes for that night which is open to the public

also. Mrs. Rolland Johnson read where to send old glasses and what they are used for. This is a worthwhile project and helps out the needy. Mrs. Sammy Tsubota and her 4-H club were present for program. The 4-H conducted one of its meetings with the salute to the flag and 4-H pledge. Each told of what they had accomplished this last year. At the close Dianne Cazier on behalf of the group presented Mrs. Medler a dish towel from each girl to be used in the grange kitchen. This was done to get their community service fulfilled. The club members gathered around the piano singing Irish songs accompanied on the piano by Mrs. Bob Byrd. Mrs. Trace Fields gave the reading, "The Irishman and the Rope."

The next club meeting will be April 14 at the Rolland Johnson home. Each is to make an Easter hat and model it. Secret pals will be revealed at this time.

Rolland Johnson and other men of Rufus grange worked last week to get the new electric heaters installed in the grange dining room. Mrs. Johnson and others worked to get some of the little finishing touches done to the hall to make it more home like.

Spring must be really here this time as the March winds were

blowing like a lion at Rufus Tuesday. A few of the farmers in the north end of the county are in their fields already.

Clifford Trumbo and Jerry Brackett wrecked both their passenger cars last week when they slid together as each was rounding a curve on the Van Patten place just south of Don Macnaba. Clifford's nephew in law Fred (Donna Smith's husband) was the worst hurt as he was riding in Clifford's car, and his head banged into the windshield. He received face cuts above and below the eye and across the nose and had to have medical care. Some of the others got bumps and bruises.

SCIENCE FILM TO BE SHOWN AT CHURCH

The 45-min. sound and color film "The Prior Claim" produced by the Moody Institute of Science will be shown in the Moro Community Presbyterian church Sunday night March 20 at 7:00 o'clock.

Features of the film include: Plants that trap and eat insects; small creatures that lasso insects with their tongue at distances greater than the length of their own body; spiders that build underwater houses with air bubbles; fish that shoot down their prey by spitting water; the thermal equipment of the rattlesnake enabling it to see at night and many other features which reveal what science discovers or invents. Nature had it first.

CARD OF THANKS

I want to thank my friends for their remembrances of me while I was in the hospital. The cards, flowers and letters were most cheering and were greatly appreciated.

4-H Club News

"We will help you to be a graceful girl," said Janice DeMoss and Patty Thompson March 7 at the Sherman High School. They

showed the Handy Girls Clothing club the correct ways to stand, walk and sit. Our Junior Leaders are preparing charts for us to make it easy to record all the small jobs we do in connection with our project work throughout the year. Some of the girls assisted them at this meeting. We hope to have the charts soon.

WHAT'S DOING

Cal Horn, your Telephone Manager

Meet Fred Fisk, Deskman in The Dalles Central Office. Fred who has 23 years of service, makes final checks on newly installed phones to make sure they're ready to use. Also, from his special test desk he traces out trouble reports so repair men can get right on the job. You may never have occasion to see Fred at work, but remember he's always ready to track down any sign of trouble on your line and help keep your telephone a service you can count on.

Birthdays, anniversaries, and other special occasions for family and friends seem always to be popping up. Much as we'd like to, we often can't be there in person to deliver best wishes. And that's when a long distance call can mean so much. If you've received a call on a special day from someone far away, you know what I mean. It's an exciting visit for everyone gathered 'round. The cost is low—even lower station-to-station and after 6 p.m. Next time, why not "be there" with a long distance telephone call.
