Prescription Pharmacists

YOUR BABY HAS A Special Department Here

Your baby requires more items from the pharmacy than do adults. They must be of best quality—really special things—for your baby is certainly most special. We have a special section in our store devoted to your baby's needs—all the toilet articles, soaps, oils, and talcs a baby could require. Vitamins and medicines for baby come in for careful attention, too. Full stocks of the products of Parke, Davis & Company, and other reliable manufacturers, are always present. Yes, your baby and his needs are the object of special attention at our Pharmacy.
