A world of intriguing exhibits and family entertainment will await visitors to The Dalles Lions Club Home, Auto and Boat Show April 29 - 30 and May 1, at the Seufert Building about 1½ miles east on U. S. Highway 30.

It's a community show as well as a chance to look over some of the newest items of comfort, convenience and beauty for the home as well as new automobiles and boats.

We at Pacific Telephone-Northwest will be displaying our Princess telephone. It's so new it won't be available to telephone customers here in Oregon until late this year. But you'll want to see its new trim lines, examine its compactness and feel how light it is. It's a "light up" phone—a night light goes on when the receiver is lifted. That makes it ideal as a bed room extension phone.

We'll be looking for you at the Home Show April 29-30 and May 1.
