Mr. and Mrs. Wendell Baisiger left Monday for Palm Springs, Calif., where they will meet Mr. and Mrs. Collis Moore with whom they will go into Mexico for a few weeks of warmer weather.

**BORN:** To Mr. and Mrs. Gordon Isaacs, Sunday, January 22, at The Dalles a daughter. This is the first child for the Isaacs who are living in the brick house and he is working for the coop.

Ralph McInnis was here Monday to meet with the county court for some talk about the work the county road crew is doing on the Wasco airport for the state aeronautics commission of which McGinnis is representative. He is a son of Lee McGinnis and grandson of T. R. McGinnis, a homesteader in the Hay Canyon country and sheriff in the 1890s.

Bob Archer has gone to the Great Lakes training station for navy men and is taking a course of twelve weeks there before being sent to permanent assignment. He likes it fine but the weather is different than San Diego.

Weather has been miserable. Fog has held over the county or so slightly above it as to hide the sun and give a twilight appearance. It has been below freezing most of the time day and night, but with little variation. Rain fell Monday and froze on making the roads and sidewalks slick as greased lightning for a few days.

Miss Ann Hall, Moro, has been selected as Sherman County's delegate to the annual State 4-H conference in Salem Feb. 2, 3, 4, announces Jane Olsen, county extension agent. The subject of the conference is "Know Your State Government".

**Equipment From Afar Can Be Expensive**

Purchase of a new appliance especially import merchandise, may be a "shocking" experience if it doesn't carry a safety-check label.

Bernice Strawn, OSC extension home management specialist advises shoppers to look for the Underwriters Laboratories seal of approval on appliances, plug-in radios, phonographs, and television sets as a safeguard for home use. Oregon law forbids sale of appliances without the UL seal but they occasionally appear on local markets without it, she reports.

Although major U. S. manufacturers submit products for testing, foreign made goods such as Japanese and German television sets, phonographs and radios are not routinely UL safety-checked. UL seal indicates that the appliance meets certain minimum standards of electricity safety.

For the first six months of 1960, shipments of electronic equipment from Japan to this country increased 75 percent, reports Miss Strawn. She says that in three months, shipments were a million dollars higher than shipments for all 1958.

The Rufus Grange met Thursday night with the usual potluck Hostesses for the evening were Mr. and Mrs. Roy Gayman and Mr. and Mrs. Atlee Wilson who were responsible for setting the table, making the coffee, serving and cleaning up after dinner.

Roy Shafer, overseer, presided because Mrs. Johnson was in Portland with her mother who was in the hospital. Harland McDonald on agriculture told of the proper methods of pruning, shaping and spraying of trees. On legislation Mrs. Harland McDonald remarked briefly about the inauguration of our new president.

Mrs. Otto Petersen reported on different ways to prevent fires in the homes. She is on the fire safety committee. Mrs. Trace Fields is on the Community Service committee and said all must be thinking of things to do for the area. Mrs. H. McDonald said the grange books were audited and found in good order.

The card party for this week will be Jan. 27 between tri-county past masters club is meeting at the Rufus Grange hall Jan. 28 at a potluck dinner at 6:30.

Bill Huck is reported ill, Bruce Millard is in the hospital. Mrs. George Drinkard underwent surgery in Portland, as well as Ed Cardinal, are all on the grange sick list.

Jerry Brackett said a 1st and 2nd degree practice will be held Feb. 7 at the hall. The manuals are needed for the ones learning their parts, so if anyone has a manual out, please bring it to Grange.

For the lecturer's program Mrs. George Fox reported on the qualification of a good lecturer. Several members retired to ante-room to learn the way of working their way into Grange after it is in session. A skit by Mr. and Mrs. Jerry Brackett, an article on "Mother's Care" by Mrs. Roy Gayman, "The Owl and the Pussy Cat" was read by Mrs. Trace Fields accompanied on the piano by Mrs. Jerry Brackett. A card to the Master Mrs. Rolland Johnson was signed by all as well as a Get Well Card sent to Mrs. Geo. Drinkard. A game of bingo was played with Mrs. Millard Leigh winning the prize.

Benton Barnett who was in the hospital last week is home again and feeling better.

Some men of the community and some of the young folks turned out to help clean up the Rufus school grounds. Fay Brackett brought his tractor and some leveling was done just behind the school building south of the building. The old fence was taken out, the wire was rolled up, brush and trash was burned, trees pruned also. Some of the PTA members served dinner at noon to all workers. As a result the grounds look a little neater and it was a good community project well worth while.

Mr. and Mrs. William Baum had another class for the square dancers at the Rufus school gym Saturday night. Quite a few from Moro attended and all those present reported a good time. The ones attending all bring a potluck lunch and this is served with coffee in the Rufus school cafeteria. The Baums are very good leaders and doing a fine job with

making recreation for this community.

The Rufus Home Extension unit met Thursday at the Grange hall with the lesson on "Low Calorie Foods". All brought sack lunches and the hostesses served dessert and coffee.

We got a little rain over the weekend, and some hail fell too. However, we still have good weather from what it is like in other parts of the country.

The Rufus Community church members are working on the basement in the church to make a recreation room for the young people to gather. A benefit is planned in the near future to raise money to furnish the room as soon as it is completed.

Joe Morris who has worked at the Ford Garage in Arlington the last four years, has accepted the management of the Shell Gas Station in Arlington. He will have several helpers. The Morris' have their home in Rufus where Mrs. Morris and children, Keith, Leanne and Lael, reside and Joe drives back and forth to work.

**Reddy Kilowatt's Helpful Hints**

**HOW TO MAKE YOUR HEATING DOLLAR GO FARTHER!**

- Be sure your doors and windows are weather-stripped and your house is insulated. You'll be pleased with the savings you can make on your heating bill.

- Save heat by keeping the thermostat at a comfortable setting. It costs considerably more to increase the temperature of your home from 70 degrees to 80 degrees than it does to increase it from 60 to 70 degrees. You can also save by setting the thermostat lower at night.

- When fireplace is not in use, close the damper. You'd be surprised how much heat can escape through an open flue.

Reddy Kilowatt hopes these hints will help save you heating dollars. And remember, Reddy's always at your service for home comfort and convenience. Live better electrically.
