SUN LIFE PAYING MORE DIVIDENDS TO POLICY HOLDERS THIS YEAR

Sun Life Assurance Company of Canada will increase dividends to policyholders in 1961 for the 12th consecutive year. A. M. Weaver, C.L.U., manager of the Sun Life branch in Oregon announced Feb. 14, following the company's 90th annual meeting in Montreal. Mr. Weaver said Sun Life had an outstanding year in Oregon. In all its operations the company sold \$1,034 million of life insurance to a total in force by the company of \$9,573 million. This is 7.1 per cent more than the amount in force at the end of 1959. Group insurance accounts for \$3,618 million and new group life insurance sold in 1960 was \$302 million. One third of the total is in force in the United States.

Annual premiums on group accident and sickness contracts at year end amounted to \$6,422,000 an increase of 57 per cent over the year. Mr. Weaver said the growth of the company and increased earnings will result this spring in increased dividends to individual, participating policyholders. About \$41,400,000 will be paid in policy dividends in 1961 — \$3,000,000 more than in 1960.

Again - a Dividend Increase to Policyholders!

For the twelfth consecutive year, Sun Life of Canada announces new dividend scales which will result in an increase in the total amount to be paid in dividends to its participating policyholders. In 1961, over \$41 million will be paid out in the form of dividends, an increase of nearly \$3 million over the corresponding amount in 1960.

For the second consecutive year, Sun Life's representatives sold over \$1 billion of life insurance, more than any other Canadian life insurance company, and thereby protected the lives and futures of thousands of families.

And for the ninetieth consecutive year Sun Life has offered its policyholders up-to-date policy plans and the finest life insurance service.

1960 — Another Record Year for Sun Life	
New Life Insurance	\$ 1,034,745,577
Total Life Insurance in Force	\$ 9,572,801,199
