IT'S LATE at night and the one thing you need for someone you love. You make a phone call and a friend answers—your druggist. Within minutes after your call, he's on the job.

It takes a time like this to make you realize how much you depend on this man, yet how much you take him for granted. Your pharmacist means medicine when you need it—skillfully prepared. He means service—regardless of time. His concern is for you, not only as a customer, but as a friend.

And what a valuable "extra" for you if your neighborhood drug store gives you S&H Green Stamps. You know, of course, to-

day half the families in America save them. Your S&H Green Stamps make it possible for you to choose from over 1,500 top-quality, famous brand-name items at your S&H Green Stamp Redemption Store.
