THE MARK OF A REALLY SMART PERSON

The mark of a really smart person is not necessarily a college diploma or a Phi Beta Kappa key. It might be simply a record of carefully-considered actions.

To "know it all" would be wonderful — if we humans could absorb that much knowledge in a lifetime. Next best is to seek and accept the advice of experts, particularly your Doctor.

Visit him frequently. Follow his directions carefully. Bring your prescriptions to us to be filled, and take the medicine he prescribes regularly.

Such cooperation is the best course possible for preservation of your health, and it marks you as a really smart person.

CUT FARM PAINTING COSTS

It's easy to have attractive barns, sheds and fences at low cost with Standard Shingle Stains. They come ready to use and are quickly applied by brush or sprayer. Besides adding long-lasting color, they seal unpainted wood against dampness, help prevent cracking and warping.

Standard Shingle Stains come in three colors: brown, green or red. If you want protection without coloring, order Chevron Shingle and Floor Oil.

For any Standard Oil product, call

Here's what PP&L customer Mrs. Monte Weddle says about electric living:

"Electricity is a really big helper around our farm... and it's such a bargain!"

"With all the canning I do, I certainly wouldn't like to do it the tiring way my mother did—without electricity! We have 41 appliances, but I suppose our home freezer is the favorite. We keep it filled with the fruits and vegetables I put up, and the beef and pork we raise. All this electric help costs just 52¢ a day—it's the best value in our budget!"

Like Mrs. Weddle, thousands of other Pacific Powerland homemakers are using lots of PP&L electricity these days—more and more all the time!

See all the modern electric helpers at your appliance dealer's store. Be sure you're making full use of PP&L electric service—today's biggest value!

PACIFIC POWER & LIGHT COMPANY
