OH PRESCRIPTION PHARMACY

A Very Serious Purpose in Life...

Like a new-born baby entering this life, from whom great things are expected, the prescription handed you by your Doctor has a purpose. The prescription also has a definite route to follow.

Your prescription's purpose is to provide you with preparations important in restoration or improvement of the health of the person for whom it is intended. It should be brought to the pharmacy without delay. Carefully compounded, and with directions attached, the preparation is then ready to be used to accomplish its high purpose.

Our pharmacy is one of the community's prescription centers, and provides reliable professional service for prescriptions at all times.
