Harbor Expansion Program Approved for Portland!

Recent passage of a 9½ million dollar bond issue in Portland assures continued development of the Portland Public Docks.

This increases to 22½ million dollars the total investment Portland is making in its terminal and cargo handling facilities.

Some of these funds have been used for construction of a giant new bulk unloader which will cut importing costs of ores, ore concentrates and other dry bulk cargoes.

Barbara Hampton Has

Recital At Home

Last Sunday at 5 o'clock Mrs. Leila Fancher of The Dalles presented Barbara Hampton in a piano recital to forty neighbors and friends in the Hampton home in Moro.

The program was in three groups. The first consisted of "Siciliano" by Scarlatti and a "Sonata" by Haydn, composers of the 17th and early 18th century. The Romantic period was represented next by Grieg's "The Butterfly," Schumann's "Warum" and Chopin's "Waltz." The last group included music in the more modern period from Sinding, "Rustle of Spring" and two of MacDowell's compositions, "Winter" and "Hungarian." The final number was Tchaikovsky's "Waltz of the Flowers", a piano duet by Mrs. Fancher and Barbara.

Velma McKean assisted in the program by singing three light numbers between the groups of piano selections. Mrs. Fancher accompanied her and introduced the piano groups.

For those who lingered for more conversation and music, Marilyn Pearson, younger sister of Doris Pearson, sang "An evening Prayer" and other selections.

Misses Marilyn Pearson, Nancy Hendricks, Bonnie Tatum, and Linda Helyer served coffee, punch and cookies to the guests.

WINTER YOUR COWS FOR LESS THAN 10¢ A DAY!

with a FOSTER BLOWER and WAGON

HERE'S HOW IT WORKS
Foster Blower, mounted on your combine, catches only the chaff and blows it into Wagon. Or you can change pans and catch both chaff and straw. Combine operator dumps Wagon load by trip rope without stopping the combine.

HERE'S WHAT IT PRODUCES
Solid dumps from the Foster Wagon are 10 feet long—8 feet wide—7 feet high. Cattle can be wintered on this feed at very low cost. On most farms, the Foster Blower and Wagon will pay for itself in one season.

HERE'S WHAT RANCHERS ARE SAYING
Elvin Striha of McLean County, N. D. says, "Chaff from 100 acres of wheat was all my 50 cows got from Nov. 1 to Feb. 1 when I ran out. It saved me over \$1,000 so it was worth at least \$10 an acre."
