Research and extension personnel from the Columbia Basin will meet Saturday, August 19 at Pendleton. If the new "shorty" wheat is released plans and procedure for distribution will be outlined. Wheat production management recommendations will also be developed in relation with the present rust problem.

Oregon State University recommendations on wheat seeding in light of the rust problem and release of the new wheat will be known during the week of August 21st.

Civil Defense Directors from Baker, Gilliam, Grant, Malheur, Morrow, Sherman, Umatilla, Union and Walla Walla Counties and the chairmen of their rural civil defense and women's advisory committees have been asked to meet with representatives of the U. S. Department of Agriculture (USDA) and the county extension services Tuesday, August 15, in Pendleton to discuss the rural civil defense information program in their areas.

The meeting, one of five scheduled throughout the state during August, is designed to acquaint civil defense personnel, members of the USDA County Emergency Planning committees and county agents with the rural civil defense information program which was recently assigned the USDA by President Kennedy as a part of the shift of responsibilities from the Office of Civil and Defense Mobilization (OCDM). Representatives of the state Civil Defense Agency, the State Women's Advisory committee and the state Rural Civil Defense Advisory Council will also be present.

Here's what PP&L customer Mrs. Robert Stenbeck says about electric living:

"There's always something new to enjoy about electric living"

"As a home economics teacher I taught my students about the many conveniences of electric appliances. And now, in my own home, I'm even more enthusiastic about the many ways electricity makes home-making easier and more pleasant. With all the baking I do, and all the sewing, there's no doubt in my mind that electric service is our best value."

Like Mrs. Stenbeck, thousands of Pacific Power-land homemakers are using lots of PP&L electricity —more and more all the time!

Visit your electric appliance dealer soon. Make sure you have all the electric helpers you need for modern living. Enjoy full use of PP&L electric service —it's today's biggest value!
