The Kent Home Extension unit met at the home of Mrs. Olga Stark Thursday Feb. 8 with 15 members present. During the business meeting the Home Makers Festival was discussed and committees appointed. The 4-1 sewing club has invited the unit to a style show to be held in May. The unit has been collecting coffee bands for a large coffee maker and now has enough to order one and it will be kept in the school lunch room and will be available for community use.

The lesson on accessories was given by Mrs. Stark and Mrs. Don Maxfield. The study was made of types and colors of accessories that are suitable for different occasions. A white elephant auction of accessories was held. The next meeting will be at the home of Mrs. Kenneth Hattrup March 8 beginning at 11 o'clock. The subject is "Magic Meringue." Project leaders are Mrs. J. E. Norton and Mrs. Melvin Erickson.

Visitors at the home of Mr. and Mrs. Bill Buether Sunday were Mr. and Mrs. John Buether and family, Mr. and Mrs. Shelton Fritts, Mrs. A. von Borstel and Phil. Mr. Buether returned home Wednesday from the hospital where he spent about two weeks for medical attention.

Mr. and Mrs. George von Borstel and family went to The Dalles Saturday and met her mother, Mrs. William Johnson who arrived from Portage, Penn., to spend a couple of months with them.

Prescription Pharmacists

A GOOD NAME is the FINEST ENDORSEMENT

Almost daily, new drugs appear which we are urged to offer. To reject the unproved products is just as important to this pharmacy as is the service of being alert to provide the newest and the best.

There are certain helpful guides on which we rely. Reliable pharmaceutical manufacturers, such as Parke, Davis & Company, establish quality and effectiveness with exhaustive clinical tests before a product is announced. Your Doctor is then given facts, and on his judgment we rely in making our decision.

Thus, if a preparation is in our stock, you are assured of its reliability.

Here's what PP&L customer Mrs. Walter E. Kinney says about electric living...

"We use lots of electricity and the whole family is glad we do"

"We fill the freezer with home grown fruits, vegetables and berries every summer so we can enjoy them all year long. With a full freezer we not only eat better, but we save money on our food bills. That's just one way electricity helps our family live better. We all agree, electric service is a marvelous bargain."

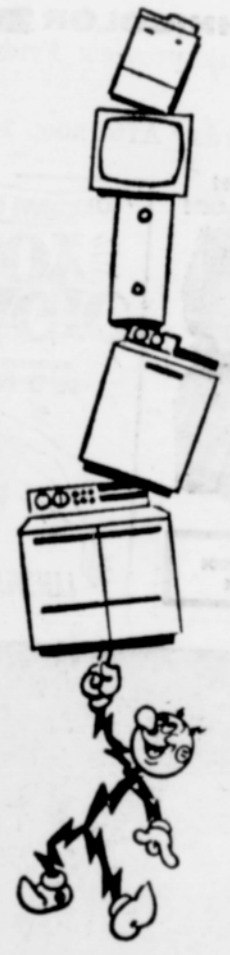

Like thousands of other Pacific Power & Light customers, Mrs. Kinney and her family live better because they make generous and effective use of modern electric service.

How about you—are you making full use of Reddy Kilowatt's helpful service?

In the typical U.S. home Reddy works 327 hours per month.	327 KWH
In the average Pacific Powerland home Reddy works 732 hours per month.	732 KWH
In Mrs. Kinney's home Reddy works 1438 hours per month!	1438 KWH
