RUFUS

By Mrs. George Fox

Mother's Day weekend has come and gone with many a family having a get together for the big event. Now, that is behind, the Rufus Grange can concentrate on another big event, the fourth annual Smorgasbord which is at their hall on Sunday May 19 between the hours of noon until 6:30 p.m. This event is fast becoming a meeting place for friends of the different counties to gather and talk about old history. Each and everyone is welcomed to take part in this big event.

Mrs. Harland McDonald spent Mother's weekend at the University of Oregon, as a guest of her niece Judy Pearson. This was Mrs. McDonald's first tour of a big campus and all the festivities of a college big event, and she enjoyed it very much. She even had a foster daughter while on the campus; the girl had lost her parents recently and she enjoyed having Mrs. McDonald for her mother.

Mr. and Mrs. John Murray of Dayville were recent guests of the Harland McDonalds. Mrs. Murray is attending the Postmasters convention which is going on at this time in The Dalles.

at the little Legion hall in Wasco on Tuesday, May 21 between 11 a.m. and 2 p.m. This will be the day the farmers vote on the wheat referendum.

On Tuesday of this week it is a beautiful day, so warm, still and with the sun shining as on a summer's day. Just looked at the thermometer and it said 82 degrees in the shade at 4 p.m.

The farmers hope they won't suffer much damage to the wheat on account of the rust if some warm days come along. Seems like a little heat has felt good up until now which is unusual for this time of year here in this county.
