A Cake For A Special Birthday!

With little or no help, here's a cake the youngest teen-ager can make, and delicious enough for any party! To make the cake, choose your favorite chocolate cake mix (or a special recipe) making two 9-inch layers. Frost with this honey-flavored frosting, a perfect accompaniment for chocolate cake. As a crowning touch, cover the sides of the frosted cake generously with the new packaged moist toasted coconut. This time-saving coconut is something you will want to use often on other desserts, on salads, candies, and as an ingredient as well!

Coconut Honey Frosting

2 egg whites
1-1/2 cups granulated sugar
1/8 teaspoon salt
1/3 cup water
2 tablespoons light corn syrup
2 tablespoons honey
1/2 teaspoon vanilla
3/4 cup moist toasted coconut

Combine egg whites, sugar, salt, water, corn syrup, and honey in top of double boiler. Beat 1 minute until thoroughly mixed. Cook over rapidly boiling water, beating constantly with sturdy egg beater (or at high speed of electric mixer) 7 minutes. Remove from boiling water. Add vanilla and beat 1 minute or until thick enough to spread. Frost cake and pat moist toasted coconut around the sides. Makes 5-1/4 cups frosting or enough to generously cover tops and sides of two 9-inch layers.

You may get application blanks from the race committee chairman, Bobbie Hays, Keasey Route, Vernonia, Oregon. Entry fee shall be $5.00 payable by cash, check or money order and must accompany your application for entry. As you know this Derby is sponsored by the Oregon Ninety - Nines, to alert the Northwest to the fact that flying is fun and safe. It will not be a Speed contest but has been designed to enable all pilots an equal chance to win. Half the fun of such an event is the pre-event planning, the wonderful people you meet and the cooperation received from all of them. Women pilots with a certificate or better may enter. Contest open to women only, either as pilot, co-pilot, or passenger.

Grant Saulie an attorney from White Salmon, a member of the Aircraft Antique Association, owner of an antique Wake has just finished the spring tune-up, touch up and all that loving care these antique aircraft owners perform merely as a routine duty. This pretty blue and yellow aircraft looks all dressed for a special party. Grant did a bit of flying this week with it.

Alan and Vurginia Maxwell from McMinnville dropped in at the airport for a brief visit and a spin in the Cessna 172, Skyhawk. He is a heavy construction contractor, and Virginia is head supervisor at the telephone company in McMinnville. Aan is a cousin of J. O. Maxwell the airport manager.

Last week the airport was very quiet due to poor flying weather.

This week is is humming like a hive of bees in a swarm. The big Cessna air show is Saturday, June 1. Don't fail to attend this snow and see what Cessna has come up with in the new Cessna skymaster, it takes off quick, lands slow and short; flies high (on either engine); and climbs fast (on either engine), it truly provides a new high in twin engine safety. Don't take our word for it come see for your self and take a spin. Now, nothing stands between you and the best of Twin - Engine lying. May is the month to buy a Cessna.

Capt. Kyung O. Kim, only woman pilot in the Korean air force was welcomed at O'Hare International airport by members of another organization she belongs to, the Ninety - Nines. Capt.
