Mr. and Mrs. Alex Brander have as their guest his mother, Mrs. Jessie Brander, who came up from Portland Saturday for a visit and to attend the eighth grade graduation Tuesday night as her grand daughter, Jessie Brander, is among the graduates.

Mr. and Mrs. Alex Brander have as their guest his mother, Mrs. Jessie Brander, who came up from Portland Saturday for a visit and to attend the eighth grade graduation Tuesday night as her grand daughter, Jessie Brander, is among the graduates.

Not Always Fire When You Smell Smoke.

Friday afternoon for a short period of time some concern over some unidentified smoke smell, Edna Jewell from the Hotel and Vivianne Williams from the Journal met at the front door of the Hotel and simultaneously noticed a smell of smoke. The search was on from the top floor to the lobby with no results of the cause of this wood burning odor. Down to the basement they went to find the smell very potent. Well, the source was discovered that Andy Paulson from his TV and Radio repair shop had been sawing a board with a dull electric saw which was causing all this searching for fire.

Edna and Vivianne have decided that "Smoke the Bear", isn't the only one who has a nose for smoke.

RUFUS

The temperature has reached 88 degrees today, and there is a bit of east wind blowing, so it may be warmer tomorrow. However it was 85 degrees here yesterday. This is a most unusual year, one week it is heat we need and the next week it is warm we need air conditioners. Maybe the needed warmth will help the wheat crops. The cheat grass is so very bad this year, in the wheat crop. The wet spring was one reason it was thought to be the trouble.

The high water seems to be slowing down some of the construction work. The Columbia and tributaries are carrying a lot of water and may do so until the snow is melted from the mountains.

The Rufus Home Extension group met on May 23 at the home of Mrs. Kenneth Spagle in Biggs, Ore., with herself and Mrs. Harold McDonald as leaders in the lesson on "Chinese Cookery." The leaders also had an Ala, a product of wheat, dish to serve with their chinese dinner which all ate at noon and divided the cost among those present. Both these cooks are tops in their fields, so did a fine job with the dinner.

Mrs. Arno Chrisman vice chairman called the business meeting to order because the president was not present. The group was told what lessons were in store for next year, and tentatively what months they will be given.

Mrs. Sammy Tsubota a past chairman installed Mrs. John Jensen as president, Mrs. Joe Morris as vice president and Mrs. Frickey as secretary - treasurer. The vice chairman Mrs. Arno Chrisman presented each new officer a lovely corsage before the ceremony began.

There won't be another meeting until September when the officers of the Units of the county will meet at Moro, perhaps the

RUFUS

week of Sept. 16. The Rufus Grange Home Economics club has a change of plans. Instead of meeting in Wasco, as they previously planned, the club will meet at Rufus Grange hall to prepare the rummage for the sale which is planned for the last two weeks in June.

A pot luck lunch of salad or dessert is planned for noon, and all members are urged to get out and help with this work which is set for June 13.

Upper Columbia Bank Debits Show Decided Increase

Bank debits for the Upper Columbia River including Gilliam, Hood River, Sherman, Wasco and Wheeler counties, increased in April, 1963, compared to April, 1962, the University of Oregon Bureau of Business Research has reported.

ANNUAL SHRINE HOSPITAL DAY SET

Shriners of this area are calling attention to the fact that Sunday, May 12, is National Shrine Hospital day. Local residents are urged to visit the hospital at Portland, Ore., as a Mother's Day event. Special invitation comes from little six-month-old Gracie Galan Amaya, who is having clubfoot conditions corrected. She is daughter of Mr. and Mrs. Juan Amaya, Independence, Ore. Children at Portland has treated more than 11,000 children from Pacific Northwest and British Columbia. They are admitted regardless of race, color or creed. Hospital's main support is from Shrine groups and money bequeathed by generous persons.

Do You Know?

Roger Carriere would be a handy man to have around the house if you needed somebody who excels in log lifting, jousting, fish eating, ice fishing, padding, muskrat skinning or marathon swimming.

Thirty-three year old Roger, who is five feet 11 inches tall and weighs 210 pounds, is a section man on the Canadian National Railways at Lynn Lake, Manitoba.

In addition to his other accomplishments this man who is responsible for helping maintain the Canadian National rail line which serves the rich Lynn Lake mining development, probably can run faster and farther than any man his age in North America. He clips off 100 yards in just under 23 seconds with a 125-pound canoe on his shoulders.

In a flour packing contest, he jogs along with 650 pounds on his shoulders.

When he made a trip to Winnipeg recently, he met a Winnipeg Blue Bombers' football star in the swank Fort Garry Hotel; challenged the athlete to a squaw wrestling contest and floored the Blue Bomber in three seconds.

On top of all these accomplishments, Roger Carriere is a two-time winner of the Lynn Lake swimming marathon; covering a mile in 19 minutes.

Roger takes time off from his Canadian National job every year to attend the Northern Manitoba Trappers' Festival held at The Pas. This year he took top first prizes and won his seventh "King Trapper" title. And he continues to be the undisputed champion moose, duck and goose caller in the Province of Manitoba—a title which he has held for fourteen years.

Yes, quite a guy this Roger Carriere. A mighty handy fellow to have around whether you're running a railroad; need a little fishing done; some heavy packages carried or want to call a moose to be served up at some Sunday dinner.
