## Sunday Nights at Church Well Liked At Grass Valley

Sunday night services at Grass Valley's Baptist church have been growing in enthusiasm and attendance.

Last month the pastor's wife started a group of young people meeting at the 6 o'clock hour.

Sheryl Blagg and Louise Eakin are helpers doing a fine job in this hour. The beginning of May was the beginning of an instrumental group, to play along with the song service at 7 o'clock. The pastor plays his trombone. Bill Todd the tuba, Lowell Smith and Victor Johnson trombones, and Sheryl Blagg the saxophone.

This symphony of sound or cacophony, depending on whether one is playing or listening! is topped off by a message by the pastor from Paul's First Letter to the Corinthians. This is the most important book in the New Testament giving practical instruction for daily Christian living.

Thus, with a study of Romans on Sunday mornings, First Corinthians Sunday evenings, and Second Corinthians on Wednesday evenings, a solid basis for doctrine, practice and devotion in Christian living is being given.

Visitors are welcome at every service.
