Old People.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whisky nor other intoxicant, but acts as a tonic and alterative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price 50c and \$1 per bottle at A. D. Bolton & Co's drug store.

The Best Family Cathartic.

For a general home medicine, Hood's Pills are unequalled. They were prepared for family use and they have been found entirely satisfactory wherever they have been used. Their sale has gradually extended until today the demand for them leads the trade to look upon Hood's Pills as "the coming pill." They relieve and cure so many troubles that they are really a whole medicine chest. They are mild and yet efficient.

The two organs will be "manipulated" by Mrs. J. M. DeMoss and Henry DeMoss.

In presenting this cantata the author has been very careful to avoid fictitious characters in presenting absolute truths, believing it to be the most consistent, to present in a modest manner, the conspiracy of the brethren, also, the ill treatment by Capt. Potiphar in sending him to prison; showing from the depths of afflictions, God was able to raise him to a high position, that he might be able to feed God's chosen people, Israel, during the great famine.

The preparatory remarks introducing the oratorio are too lengthy for comment and cannot well be abbreviated to give the reader any intelligent idea of the plot. All, however, know enough of the bible account of Joseph's eventful life, and the conspiracy of his brethren, etc., and his final success when he proclaims "I am Joseph your brother whom ye sold into Egypt." The brethren fall back with astonishment, then they come and bow down to Joseph. Asenath, the governor's wife, and the house of Pharaoh, bearing the noise come in. The names of the brethren are presented to Pharaoh, who welcomes the governor's kindred to the land of Egypt. The brethren are commended to bring their father and all his kindred to Egypt. On their arrival at Jacob's house, in Canaan, there is great joy. And Israel says, "It is enough; Joseph my son is yet alive; I will go and see him before I die." Full chorus sing as they march to Egypt's land. Joseph meets them in his chariot at Goshen. Solemn meeting of Jacob and Joseph. Closing with a grand chorus of rejoicing, and an anthem of praises to Jehovah for deliverance.

Doors will open at 7 p.m. Begin at 8. Admission 35c, children 15c.

Something to Depend on.

James Jones, of the drug firm of Jones & Son, Cowden, Ill., speaking of Dr. King's New Discovery, says that last winter his wife was attacked with la grippe and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into hasty consumption. Having Dr. King's New Discovery in store and selling lots of it, he took a bottle home and to the surprise of all she began to get better from the first dose and half a dozen bottles cured her sound and well. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to do this good work. Try it—free trial bottles at A. D. Bolton & Co's drug store.
