A horticulturalist says: When a cucumber is taken from the vine let it be cut with a knife, leaving about an eighth of an inch of cucumber on the stem, then slit the stem with a knife from its end to the vine leaving a small portion of the cucumber on each division, and on each separate slip there will grow a new cucumber as large as the first. Try this.

The Dalles Chronicle says one leading wool buyer estimates that about 2,500,000 pounds of wool have changed hands there to date. George A. Young sold his clip, amounting to over 60,000 lb for 12 cents. The wagon was badly broken, but Hart got off with a few bruises.

A Perfect Cathartic.

I- one which does not wrench the system or leave it weak and exhausted. A perfect cathartic is found in Hood's Pills. They are praised everywhere and after once being tried they soon permanently take the place of the old fashioned drastic pills, such as "our grandfathers used." Hood's Pills are the only pills to take with Hood's Sarsaparilla and they greatly aid that medicine in its cleansing and purifying work.

It may be seen set up either in Moro or Grass Valley. This is undoubtedly the best header in the world. Be sure and see it. Moore Bros., Sole agents for Sherman county.

This medicine is purely vegetable, acts by giving tone to the nerve centres in the stomach, gently stimulates the liver and kidneys and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion, and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c or \$1.00 per bottle at A. DANVILLE, ILL. Long Suffering from Headache Cured by Dr. Miles' Restorative Nervine.

HEADACHES are the bane of woman's life. Frequently relieved but seldom permanently cured, the ultimate result is continual misery.
