DANIEL MYERS,

OF PENNSYLVANIA.

A Living Object Lesson For Dr. Miles' New Heart Cure.

HEART DISEASE is curable. "For over forty years," writes Daniel Myers of Two Taveras, Pa., on Aug. 4, 1895, "I suffered with heart disease. First slight palpitation, gradually growing worse. Then shortness of breath, sleeplessness, smothering sensations and much pain in the region of the heart alarmed me and I consulted a physician. Prescribing no benefit I tried others and a number of remedies, spending a large amount of money, but finally became so bad that it was unsafe for me to leave home. I commenced using Dr. Miles' Heart Cure two years ago. For eighteen months I have been well. Although 72 years of age I can go where I wish and I sleep all night and wake up as cheerful as a babe and completely rested." Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on Heart and Nerves sent free to all applicants. DR.
