There seems to be good ground for the expectation that the census of 1900 will reveal the same superiority of the United States in respect to material wealth to any other country in the world.

MORO CITY COUNCIL.

ORDINANCES NOW IN FORCE. Published by Authority.

[No. 16.]

AN ORDINANCE entitled an Ordinance regulating and providing for the establishment and alteration of grades; the improvement of streets and alleys; the construction, improvement, maintenance and repair of sidewalks, footways and pavements, and providing for the payment of the cost thereof.

The city of Moro does ordain as follows—

Sec. 9. The docket of city liens is a public writing, and the original or certified copies of any matter authorized to be entered therein are entitled to the force and effect thereof—and from the date of the entry therein of an assessment upon a lot, tract or part thereof, the sum so entered is to be deemed a tax levied and a lien thereon—which lien shall have priority over all other liens or incumbrances thereon whatsoever.

Sec. 10. If within twenty days from the first publication of the notice prescribed in the preceding section, the sum assessed upon any lot, tract or part thereof, is not wholly paid to the city treasurer, and a duplicate receipt therefor filed with the recorder, the council may thereafter order a warrant for the collection of the same to be issued by the recorder, directed to the marshal or other persons authorized to collect taxes due the city.

Sec. 11. Such warrant must require the person to whom it is directed to forthwith levy upon the lot, tract or part thereof upon which the assessment is unpaid, and sell the same in the manner provided by law, and return the proceeds of such sale to the city treasurer and the warrant to the recorder, with his doings endorsed thereon together with the receipt of the treasurer for the proceeds of such sale as paid to him.

Sec. 12. Such warrant shall, for the purpose of making the sale of such real property on which assessments are delinquent and unpaid, be deemed and held as of the force and effect of an execution against said real property for the amount of said assessment, interest and costs, and shall be executed in like manner, except as in this ordinance otherwise specially provided.

Sec. 13. The marshal or other officer shall, within sixty days from the receipt of said warrant, sell the property therein described. Such sale shall be at public auction to the highest bidder for cash in hand, and shall take place at the front door of the building in which the city council holds its sessions. The marshal shall give notice of said sales, by publishing a notice thereof once a week for three consecutive weeks in any newspaper published in the city of Moro, and also by posting a similar notice in three public places within said city for a like period.

Such notice shall contain a description of the parcel or parcels of land to be sold, and upon which such assessments are delinquent, with the amount of the assessment due upon each tract of land, interest and costs to date of sale, including costs of advertisement, together with the name of the owner or owners thereof, or the words, "owner unknown," as the same may appear in said docket of city liens, and shall also specify the time and place of sale, and that the parcel or parcels of land therein described will be sold to satisfy the assessment, interest and costs due upon each.

Sec. 14. All of said sales shall be made between the hours of nine o'clock a.m. and four o'clock p.m., and each tract or parcel shall be sold separately. If there be no bidder for any tract or parcel described in said warrant, at a sum sufficient to pay the assessments thereon, with interest and costs, the marshal, if so directed by council, shall strike the same off to the city of Moro for the whole amount of said assessment, with interest and costs to the date of sale.

Sec. 15. The marshal shall, immediately after having sold any real property by virtue of such warrant, or of any warrant for the collection of delinquent taxes, make a certificate of sale of the property sold, setting forth therein the object for which the sale was made, a description of the property sold, a statement of the amount it sold for, of the improvement for which the assessment was made, the year in which the tax was levied, the amount of such tax or assessment, the name of the purchaser, and that the sale is made subject to redemption within three years from the date of the certificate, and then deliver such certificate to the purchaser. The owner or his successor in interest, or any person having a lien by judgment, decree or mortgage on any property so sold, may redeem the same upon the conditions provided in the next section.

Sec. 16. Redemption of any real property sold for delinquent assessments or taxes under the provisions of this ordinance, may be made by paying to the recorder for the purchaser, at any time within three years from the date of certificate of sale, the purchase price, and twenty-five per centum additional, together with ten per centum interest per annum upon the purchase price from the date of such certificate and the amount of any taxes paid thereon by the purchaser, and interest thereon from the date of their payment. Such redemption shall discharge the property sold from the effect of such sale—and it made by a lien creditor the amount paid for redemption shall be thereafter deemed a part of his judgment, decree or mortgage, as the case may be, and shall bear like interest and may be enforced and collected as a part thereof.

Sec. 17. After the expiration of three years from the date of such certificate, if no redemption shall have been made, the marshal shall execute to the purchaser, his heirs or assigns, a deed of conveyance containing a description of the property sold, a statement of the amount bid, of the improvement for which the assessment was made, of the year for which the tax was levied, that the assessment of tax was unpaid at the time of sale, and that no redemption has been made—and the effect of such deed shall be to convey to the grantee therein named the legal and equitable title in fee simple to the real property in such deed described, and such deed shall be prima facie evidence of title in such grantee, and that all proceedings and acts necessary to make such deed in all respects good and valid have been had and done, and such prima facie evidence shall not be disputed, overcome or rebutted, or the effect thereof avoided except by satisfactory proof of:

1st, Fraud in making the assessment, or in the assessment or collection of the tax.

2d, Payment of the assessment or tax before the sale, or redemption after the sale.

3d, That payment or redemption was prevented by fraud of the purchaser.

4th, That the property was sold for an assessment or tax for which neither said property nor the owner thereof at the time of sale was liable, and that no part of the assessment or tax was assessed or levied upon the property sold.

Sec. 18. A sale of real property under the provisions of this ordinance conveys to the purchaser, subject to redemption as herein provided, all the estate or interest therein of the owner, whether known or unknown, together with all the rights and appurtenances thereunto belonging.

Sec. 19. When an assessment upon any lot, tract or part thereof, becomes delinquent, any person having a lien thereon by judgment, decree or mortgage, may, at any time before the sale of such lot, tract or part thereof, pay the same, and such payment discharges the property from the effect of the assessment—and the amount of such payment shall be deemed a part of the purchase price of the property sold, and shall bear like interest and may be enforced and collected as a part thereof.

Sec. 20. Whenever the council shall determine upon any proposed improvement, it shall provide by ordinance for the time and manner of doing the work connected therewith subject only to the following restrictions, viz: After proper notice the work must be let to the lowest responsible bidder for either the whole work necessary to complete the proposed improvement, or for such subdivision thereof as will not materially conflict with the completion of the remaining portion, but no bid for a fractional part of any class of work chargeable to the blocks or lots or tracts on either side of a street, from one cross street to the other, shall be received, except that sidewalks may be let separately as the council may direct. The council shall provide for the rejection of any and all bids when deemed unreasonable, and that the bid of any person who has before bid or contracted for such work and been delinquent therein shall not be received. The council shall provide for taking security by good and sufficient bonds for the faithful performance of any contract let under its authority, and to secure laborers, material-men and sub-contractors, and also the faithful maintenance and guarantee of such work for five years or such other time as the council may prescribe, and the provisions thereof shall be enforced by an action in the name of The City of Moro.

Sec. 21. If upon the completion of any improvement it is found the sum assessed therefor upon any lot, tract or part thereof, is not sufficient to defray the cost thereof, the council must ascertain the deficit and declare the same by ordinance. When so declared the recorder must enter the sum of the deficit in the docket of city liens, in a column reserved for the purpose in the original entry, with the date thereof, and such deficit shall thereafter be a lien upon such lot, tract or part thereof in like manner and with like effect as in case of the sum originally assessed, and shall also be payable and may be collected in like manner and with like effect as in the case of such sum so assessed.

Sec. 22. If upon the completion of any improvement it is found that the sum assessed therefor upon any lot, tract or part thereof, is more than sufficient to pay the cost thereof, the council must ascertain and declare the surplus in like manner as in the case of the deficit, in the docket of city liens. Thereafter the person who paid such surplus, or his legal representative, is entitled to repayment of the same by warrant on the city treasurer.

Sec. 23. All money paid or collected on assessments for the improvement of streets shall be kept as a separate fund, and in no wise used for any other purpose whatever.

Sec. 24. The proceedings authorized by this ordinance for the establishment or alteration of a grade, or the improvement of a street or any part thereof, or any alley, footway, sidewalk or pavement, may be taken or had without giving the notice prescribed in section 2, whenever the owner or owners of two-thirds of the adjacent property shall, in writing, petition the council therefor—and whenever any street, or part thereof, or any alley, footway, sidewalk or pavement shall be in such condition as to become unsafe and dangerous to persons or teams on or along or over the same, the council may declare the same by resolution, and may thereupon cause the improvement of such street, or part thereof, alley or sidewalk, footway or pavement, to be made without any petition therefor, upon giving two weeks' notice thereof by publication at least once a week for two successive weeks, in some newspaper of general circulation published in the city of Moro.

Sec. 25. The council is authorized to repair any street or part thereof, or any alley, footway, sidewalk or pavement, whenever it deems the same expedient, and to declare by ordinance before doing the same, whether the cost thereof shall be assessed upon the adjacent property, or be paid out of the general fund of the city.

Sec. 26. If the council declares that a proposed improvement shall be made at the cost of the adjacent property, thereafter the proposed repair is to be deemed an improvement and shall be made accordingly—but if it declares that the cost of the same shall be paid out of the general fund such repairs may be made as the ordinance may provide, and be paid for accordingly.

Sec. 27. The cost of establishing or altering the grade of any street or part thereof shall be paid out of the general fund of the city.

Sec. 28. Whenever the council shall deem it necessary and expedient, it may order the building or repairing of any sidewalk, or any street or alley, or public highway, or any part thereof, within the limits of the city, without first establishing the grade or ordering such street or alley, sidewalk or public highway improved. Provided, that personal notice only of said order to build or repair such sidewalk, street or alley shall be required, and that said notice shall be served on the owner of abutting property or his agent by the superintendent of streets. If within twenty days from the service of such order, the property owner does not comply with the provisions of said order, then the superintendent of streets shall cause said sidewalk, street or alley to be built or repaired, as the case may be, and the cost thereof shall constitute a lien upon the abutting property, and shall be collected in like manner as assessments for street improvement.

Sec. 29. Whenever any lot, tract, or part thereof, sold under the provisions of this ordinance, shall bring more than the assessment thereon, with costs and charges of collection, the surplus must be paid to the treasurer, and the officer executing the warrant must take a separate receipt for such surplus, and file it with the recorder on the return of the warrant. At any time thereafter, the owner, or his legal representative is entitled to a warrant on the treasury for such surplus. Provided, that whenever any lot, tract or part thereof, sold under the provisions of this ordinance, shall bring less than the assessment thereon, the common council shall supply the deficiency out of the general fund, if, in the opinion of the council such improvement is necessary.

Sec. 30. The style of every warrant for the collection of delinquent assessments issued by virtue of any provision of this ordinance, shall be: "In the name of the City of Moro." And the return of the officer executing such warrant must specify the amount for which each lot, tract or part thereof sold, and the name of the purchaser.

Sec. 31. Whenever the grade of any street has been established the council may authorize the owner or owners of any property abutting thereon to cut down or fill up such street in front of such property, according to such grade, at the expense and cost of such owner—but the authority mentioned in this section cannot be granted after notice has been given by the council of the intention to improve the street in front of such property. In giving such authority, the council may impose such terms and conditions thereon as may be necessary to secure the deposit of excavations upon any part of such street as may require to be filled up.

Sec. 32. Whenever any lot, tract or part thereof is sold for delinquent assessment for a street improvement, and afterwards sold for a deficit in such assessment, as in this ordinance provided, to any person other than the purchaser at the first sale or his successor in interest, such purchaser or successor, for the purpose of making redemption from the purchaser at such sale, is to be deemed an owner within the meaning of this ordinance.

Sec. 33. In making a deed for real property sold for delinquent assessment for the improvement of a street alley, sidewalk or pavement, it is not necessary to recite or set forth the proceedings prior to the sale. It is sufficient if it substantially appears from such deed that the property was sold by virtue of a warrant from the city of Moro, and the date thereof, for delinquent assessment, the amount thereof and interest and costs, together with the date of sale, and the amount bid thereat by the purchaser.

Sec. 34. Real property, when sold for or to satisfy a delinquent assessment, as aforesaid, must be sold for United States gold or silver coin, and not otherwise, and anyone applying or seeking to redeem property sold, as in this ordinance provided, must pay or offer to pay the sum necessary therefor in such coin, and not otherwise.

Sec. 35. The recorder shall, upon receiving and filing the duplicate receipt provided in section 10 of this ordinance, immediately cancel said lien upon said docket of city liens, by entering upon the face thereof satisfaction of such lien, signed by himself in his official capacity.

Approved June 5, 1899. Attest, W. H. MOORE, Mayor. L. S. JOHN M. PARRY, Recorder.

SUMMER COAST RESORTS.

Iiwaco, North-beach and Nahcotta talk now fill the minds of those who annually go, or would like to go; where they can lie on the sands and let the briny surf of old ocean splash over them. Last year The O. Man went down to North Beach to cool off, leaving a temperature of 113° behind and dust storms never to be forgotten—but the change was too sudden, and Dr. Smith had a rheumatic patient for six months after. One who can keep out of the surf at North Beach may hugely enjoy the types of character mostly on exhibition there: The bather, the swimmer and the sand-piper. The latter gets herself up to be admired, and always succeeds. The most popular places of resort on either side of the Columbia estuary are the Occident, Megler & Wright, Astoria, the model hotel of the coast; The Flavel, at Tazny point, Theo. Kroneer manager; Seaside, the old-time Holiday house, O. S. Hervey manager; The Portland and North Beach hotels. Iiwaco needs a good hotel.

Some who went down over on Macwhatsname, are now meditating upon the slips that do befall man-of-war-shiping. Mac has gone back home, and is telling his people that what impressed him most in America was the weakness of the church and the much impressed he is by the money-making spirit. And he is so much impressed he has recently had his left hand cut off to get rid of the money-making push. If this traveling representative of the Drumtochty folk hadn't found the Americans ready to spend money to hear him, his own Scotch acquisitiveness would have sufficed.

Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies—deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result and unless the inflammation be destroyed forever—nine cases out of ten are caused by catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness, caused by catarrh, that cannot be cured by Halls Catarrh Cure. Send for circulars, free. F. J. Cheney & Co., Toledo, Ohio. Sold by druggists, 75c.

Halls' family pills are the best. Headaches, sallowness, falling sensations, liver troubles. Hudyans cures; 50c. all druggists. That is the Reaper J. M. Fillion cures, next door. Blood and Nerves are very closely related. Keep the blood rich, pure and healthy, with Hood's Sarsaparilla and you will have no nervousness.

Hood's Pills are best after-dinner pills, aid digestion, prevent constipation. Forty cases of small pox are reported in Walla Walla. Female complaints, sallow complexion, headache, nervous disposition; Hudyans cures; all druggists.

Dr. Shilohs Cough and Consumption Cure. This is beyond question the most successful Cough Medicine ever known to science; a few doses invariably cure the worst cases of Cough, Croup and Whooping Cough. It is the most certain and safe remedy in the history of medicine. Since its first discovery it has been sold on a guarantee, and can stand. If you have a cough, we earnestly ask you to try it. It is sold in Canada, 25c. and 50c. and is prepared by Dr. J. C. Shiloh, and is sold by all druggists.
