"Knowledge is power." There is one kind of knowledge that is power and prestige in the hands of a woman.

It is the knowledge of her own nature, her own physical make-up and the home-treatment of her own diseases.

There is a great home medical book that teaches all this. It is Dr. Pierce's Common Sense Medical Adviser. Over 1,200,000 American homes contain copies of this work. It used to cost \$1.50; now it is free. For a paper covered copy send at once one stamp, to cover mailing only, to the World's Dispensary Medical Association, Buffalo, N. Y. (Free cloth binding, 34 stamps).

This great book tells all about a medicine that is an unfailing cure for all weaknesses and diseases of the delicate organs distinctly feminine. That medicine is Dr. Pierce's Favorite Prescription. During the past thirty years many thousands of women have used it with marvelous results. It imparts health, vigor, virility, strength and elasticity to the organs that bear the burden of maternity. It fits for wifehood and motherhood. Taken during the period of gestation, it makes the coming of baby easy and almost painless. It completely banishes the pain and misery that are the result of a woman's neglect of her womanly health. An honest medicine dealer will give you what you ask for, and not try to persuade you to take some inferior substitute for the little added profit he makes thereon.

Mrs. Jas. Schaeffer, of Fremontsburg, Northampton Co., Pa., writes: "It is with pleasure I write to let you know that I have received from your medicines and the food self-treatment at home. I was troubled with female weakness, had pain in my back all the time, sometimes so severe that I could not lie in bed at night. I tried different doctors but they could not help me. Then my husband got Dr. Pierce's Common Sense Medical Adviser, and I took six bottles of the 'Favorite Prescription' and I feel like a new woman."

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is "just as good."

Warehouse Charges, Wood, Etc.

The Higinbotham Warehouse Company has Well Sustained the Purpose for Which They Were Built.

The Higinbotham Warehouse Co. both in Moro and Hay Canyon, lay claim for the fact that it regulated the prices on storage of wheat and caused a reduction of 15 cents on every ton held over a certain number of days. It also regulated the price on wood and didn't make it compulsory on the farmer to haul to its warehouses either.

"Live and let live," is the motto of our company, says Mr. Higinbotham, and we live up to it. But for us that extra 15 cts a ton would be taxed to the farmers, and they would still be paying 85 or 88 per cent for wood. We have all the time given everybody the difference in freight between Hay Canyon, Demmes and Moro. Our opponents keep half of the difference themselves. At Rufus and Biggs there is no opposition to our opponents—and no cut in prices, either; a man must be color blind who cannot see the advantage it is to him to haul to the Higinbotham Warehouse Co., without bids for the favor which he bestows upon himself.
