"I wish to express my thanks to the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy, for having put on the market such a wonderful medicine," says W. W. Massingill, of Beaumont, Texas. There are many thousands of mothers whose children have been saved from attacks of dysentery and cholera infantum who must also feel thankful. It is for sale by Mrs. Dora Williams.

Plymouth Rock Chickens. If you want full blood Plymouth Rock chickens, Clay Neese has some cockerels he will sell cheap or exchange for other chickens.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. Sold by Mrs. Dora Williams, who will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant and reliable.

You will always find a welcome, a good bed and a wholesome meal, at the New Moro Hotel.

During the winter of 1897 James Reed, one of the leading citizens and merchants of Clay, Clay Co., W. Va., struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and 24 gallons of whisky bathing it, but nothing gave relief until he began using Chamberlain's Pain Balm, this brought almost a complete cure in a few days and he believes that had he not used this remedy his leg would have had to be amputated. Pain Balm is unequalled for sprains, bruises and rheumatism. Sold by Mrs. Dora Williams.

DesChutes in the Field.

Joseph J. Miller has a Complete Stock and Invites the Farmers Trade.

As Messrs. Atwood and Higginbotham have each stated through the Observer what they can do for the farmer, I think it advisable to invite attention to what we can do in a similar manner at DesChutes in the farming community of Sherman county, and ask them to come here and see for themselves. We sell wood low enough to make it an object for them to come to DesChutes, and lumber also, and as for storage that has been reduced to 40 cents a ton. We make no extra charge on wheat, only 40 cents a ton all the year around.

As for Dry Goods and Groceries, etc., you can get them here at the catalogue prices for the same article in The Dalles, adding freight only on heavy goods. We sell our road in the good condition in the John Fulton canyon, and we keep a man all the time on it to keep it good.

We bar no sand here, as Mr. Atwood does at Biggs and Rufus, and all who haul here will have their grain so much nearer to market with equal facilities for shipping it, and we furnish them wood at \$3.75 per cord, pine and fir. Now look at the difference in the cost of shipping by the Columbia Southern—there is no argument to compare the fact that this is the very best point in Sherman county for the farmer to meet the railroad and do business on a basis of economy. I invite them to come here once and give it a trial. JOSEPH J. MILLER, DesChutes (Biggs, P.O.) Oregon.
