Muscle

Does not make the man. "The blood is the life," the vital force of the body. So it is not infrequently happens that the man who looks to be a picture of physical strength falls a sudden victim to disease. A proper care for the blood would prevent many a serious sickness. The cleansing of the blood is perfectly accomplished by the use of Dr. Pierce's Golden Medical Discovery. It drives out the impurities and poisons of the system, and restores the vitality of the blood-making glands, and so increases the strength of the body. It builds up the entire system with good sound flesh.

There is no alcohol in "Golden Medical Discovery" and it is entirely free from opium, cocaine and all other narcotics. The dealer who offers a substitute for the "Discovery" does so to gain the little more profit paid by inferior medicines. There is nothing but good in "Golden Medical Discovery" and it is entirely free from opium, cocaine and all other narcotics.

Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system.
