It is not generally known, but experts say the Tippecanoe river, in Indiana, is the best bass stream in the United States.

What is claimed to be the largest egg farm in the world is situated in Hancock, N. H. It contains 800 acres, with 8,000 hens penned in 600 houses.

Denise Doty, a farmer living near Garden City, Kan., is said to keep a flock of 2,000 turkeys, which he turns into his fields to devour the grasshoppers. When the grasshoppers are all gone he rents the turkeys to his neighbors.

Officials of the Chicago suburbs have hit upon a new way of dealing with the speeding automobilist. A policeman will warn the chauffeur to stop. A man with a fire hose a block further on will attend to the chauffeur if he does not.

The Indian Territory is nearly as big as Indiana. It has 20,000,000 acres of arable land, 8,000,000 acres of good timber, 2,000,000 acres under which there is oil and gas and 800,000 acres of coal. It has not much less than 1,000,000 people, large and growing towns, well tilled farms and a good railroad system.

PLAYS AND PLAYERS.

Bernac's European circus is one of the principal attractions of the Keith circuit.

Miss Grace Leonard, the American Vesta Tilley, has won much favor in vaudeville in the east.

"The Sleeping Beauty and the Beast" was a recent attraction at the American theater, New York.

The seats and boxes for the opening of the new Casino, New York, will be sold at auction in order that there may be no question of favoritism in the disposal of seats.

Having failed in their efforts to secure another theater in which to place Jefferson De Angelis when De Wolf Hopper begins his engagement at the Lyric theater, New York, the Shuberts announce the last weeks of "Fantana."

Frank Perley's promised production of "The Girl and the Bandit" will open on tour Sept. 25, and Campbell Donald, recently of the Bostonians, will play the role which was played by Walter Jones when the play was known as "The Sleepy King."

Sorrow is a school of virtue. It corrects levity and interrupts the confidence of sinning. -Afterbury.

Italian physicians declare that the "American cure" established in their cities in recent years are responsible, with their food drinks, for the increased number of cases of serious apoplexy in warm weather.

A Fearful Fate.

It is a fearful fate to have to endure the terrible torture of piles. "I can say truthfully, writes Harry Colson, of Masonville, Ia., that for blind, bleeding, itching, and protruding piles, Bucklen's Arnica-Salve is the best cure made." Also best for cuts, burns and injuries. 25c. sold by Marsh & Medler, Wasco.
