Personal Talk With You.

If you do not read The Observer Why Not?

We should like to have you take it, and we know it would be profitable to you to become a subscriber. We send it two years for $2 50; one year $1 50; 12½cts a month is n't much. Try it. Order by Postal Card, and pay for it when you can.

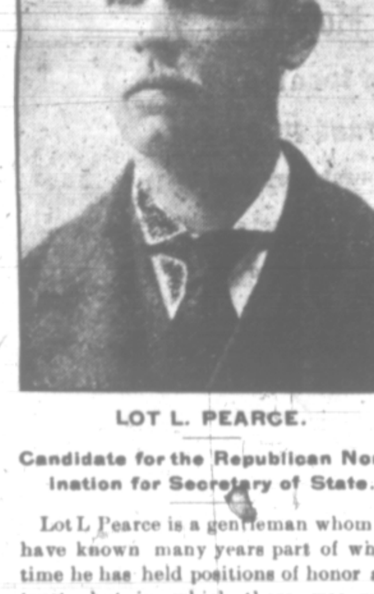
At any time when requested to do so, the paper will be discontinued. But we expect that all arrears will be paid before such request is made. It is easy to ask us for a statement, which will be cheerfully rendered at any time.

PROF. J. H. ACKERMAN.

Candidate for Nomination Superintendent of Public Instruction.

Prof. J. H. Ackerman, the republican nominee for state superintendent of schools, is a man with a splendid public and private record and is recognized as one of Oregon's ablest educators. He began his work as teacher in 1875, since which he has devoted his whole time to advancing education. His election will retain at the head of the educational department of Oregon an experienced and able man.

His work speaks for itself, and Prof. Ackerman is so well known and so well liked by all parties that there will not perhaps be any opposition to him. Certainly not any republican opposition, and considering that the office is strictly nonpartisan, there should be none from either of the other parties in Oregon, and following the precedent established by his two last immediate predecessors, Prof. Ackerman is entitled to another term—especially as the people of Oregon wish him to have it.



LOT L. PEARCE.

Candidate for the Republican Nomination for Secretary of State.

Lot L Pearce is a gentleman whom we have known many years part of which time he has held positions of honor and trust, but in which there was more personal expense than salary to pay it. He has given of his time without expectation of financial reward, commensurate with the labor and time involved He has had considerable experience in his business career as an executive and the handling of a clerical force, such as the office of Secretary of State involves If nominated he will easily be elected and we may say that the office will move along as easily in the future under his guidance as it has in the past. We print a letter from him outlining his efficiency for the position: Mr Pearce says today:

I shall be a candidate before the direct primary election April 20th, 1906, for the Republican nomination for the office of secretary of state, and I solicit your support and assistance in the matter. If I am nominated and elected I pledge the people of the state of Oregon that the affairs of the office will be administered carefully and with the strictest economy consistent with efficient service, and in the interest of all the people of the state.

The office of secretary of state is not of a legislative nature in any sense of the word; that authority resting in the senate and house of representatives, in addition to which the people, through the initiative, have taken the privilege of legislation unto themselves. I consider that no state official should use his office, or the general power and influence which such office gives him, to influence the enactment or defeat of any measure before the legislative assembly or the people, or in any manner interfere with any other branch of the public service.

I am a native of this state; born in Pork county in 1866, and have had more than 23 years experience in business, my work having been largely of a clerical nature, and I am familiar with the line of work which would be required in the position to which I aspire.

Very respectfully,
LOT L. PEARCE.

Portland Chronicle.

Let us look a fact in the face. If Mr J R Whitney is re-nominated for State Printer, he would be constantly subject to attack by democrats and a source of weakness to the republican ticket, because of the immense sums he has drawn from the treasury and his well-known deal with po'itical bosses in the last state convention. But, Willis S Duniway would add greatly to the strength of the republican ticket, for his record is clear Party considerations demand Mr Duniway's nomination.

The Observer is sustained by its own reputation. The Official Paper of The People.

VOTE FOR HIM!

Baker City, Or, Mar. 25th, 1906.

Dear Sir: Oregon is a large state and I fear that time will not permit me to visit your county. Will do so if possible.

Have made a hard fight for this nomination, and should Eastern Oregon, in which I have lived for eighteen years, give me loyal support, I will be nominated. This is her political opportunity, and I trust that you will see your way clear to assist me.

My platform includes:

State Bank Examiner.
Give Primary Law a fair trial.
High sense of official honor.
Liberal support to and high standard of education.
Rich and poor will receive alike courteous treatment.
With Roosevelt on railroad legislation and labor question.
Office of Land Agent must be above suspicion and without adjuncts.
Franchises should pay reasonable tax. Express and similar companies should pay on gross earnings in state.

For Representative in Congress.

His Motto is the people, and not the trusts, should rule this country. Every machine politician in this district is fighting his nomination.

Candidate For Nomination as State Treasurer.

JUDGE THOS. F. RYAN OF OREGON CITY.

Born in Rhode Island 46 years ago, Judge Ryan came to Oregon in his 21st year and entered into the employ of the Brownsville Woolen Co. at its factory in Brownsville. The following year he went to Oregon City where he has since resided. He has been elected as Mayor, City Recorder and School Director and Clerk of Oregon City, and for the last seven years has been the County Judge of Clackamas county, in which position he has proven himself to be an exceptionable business man, paying off an indebtedness of over $200,000 and at the same time constructing each year many miles of good, improved modern roads, and decreasing the tax levy each year.

In an interview Judge Ryan says: Being neither President, Cashier or Stockholder in any Bank or Agent nor Employee of any Money Loaning Institution I pledge myself to use and guard the funds of the State in a strict conformity to the laws of the State and for the interests of all of the people and not discriminate in favor of any institution or person. As a man of the people, independent of any clique, faction or corporation, I request the support of all Republicans in securing this nomination, and if elected I promise to perform every duty required of the State Treasurer in an efficient and economical manner.

WILLIS S. DUNIWAY
Candidate for State Printer
At Republican Primary, April 20, 1906

"I hereby pledge the people of Oregon a great reduction of the enormous cost of the office, if elected, and I declare upon my honor that I shall seek neither to perpetuate old abuses of the office nor engage in new schemes to loot the treasury"—Willis S. Duniway.

"Willis S. Duniway is a man of sterling integrity and thorough knowledge of the printing business." Portland Labor Press.

Hillsboro Independent: HM Cake late president of the Portland Commercial Club, is now a candidate for US.Senator on the republican ticket. The man that runs against Mr Cake will have to take his dust most of the way, and come up loser at the finish, for he is popular, genial, a witty and brilliant speaker, fully capable of conducting honor to any position within the gift of the people.

A Trite Saying.

It is a trite saying that no man is stronger than his stomach. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body and thus cures both liver and kidney troubles. If you take this natural blood purifier and tonic, you will assist your system in manufacturing each day a pint of rich, red blood, that is invigorating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people suffer from, is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin and the feelings "blue." Dr. Pierce's "Discovery" *cures* all blood humors as well as being a tonic that makes one vigorous, strong and forceful. It is the only medicine put up for sale through druggists for like purposes that contains neither alcohol nor harmful habit-forming drugs, and the only one, every ingredient of which has the professional endorsement of the leading medical writers of this country. Some of these endorsements are published in a little book of extracts from standard medical works and will be sent to any address *free*, on receipt of request therefor by letter or postal card, addressed to Dr. R. V. Pierce, Buffalo, N. Y. It tells just what Dr. Pierce's medicines are made of.

The "Words of Praise" for the several ingredients of which Dr. Pierce's medicines are composed, by leaders in all the several schools of medical practice, and recommending them for the cure of the diseases for which the "Golden Medical Discovery" is advised, should have far more weight with the sick and afflicted than any amount of the so-called "testimonials" so conspicuously flaunted before the public by those who are afraid to let the ingredients of which their medicines are composed be known. Bear in mind that the "Golden Medical Discovery" has THE BADGE OF HONESTY on every bottle wrapper, in a full list of its ingredients.

Dr. Pierce's Pleasant Pellets cure constipation, invigorate the liver and regulate stomach and bowels.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

Oregon Game Laws

Trout may be taken from April 1 to November 1 of each year. Ducks may be killed from September 1 until March 15 following.

The penalty for the violation of any of the provisions of the law protecting game is a fine of not less than $15 or more than $20, together with the costs of the prosecution or by fine in the county jail not less than seven days nor more than 100 days.

The punishment being so severe few will take the chances of killing game out of season.

Salem Journal.

General John H. Aitkin, of Huntington, president of a large mercantile company, and a man well known all over the state, has decided to become a candidate for state treasurer. He will probably be the only Eastern Oregon man to come out after this office, and can be heartily recommended to the people of Western Oregon for his character as a man and his high standing in business circles.
