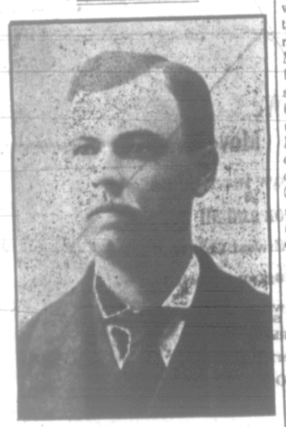
PROF. J. H. ACKERMAN.

Candidate for Nomination Superintendent of Public Instruction.

Prof. J. H. Ackerman, the republican nominee for state superintendent of schools, is a man with a splendid public and private record and is recognized as one of Oregon's ablest educators. He began his work as teacher in 1875, since which he has devoted his whole time to advancing education. His election will retain at the head of the educational department of Oregon an experienced and able man.

His work speaks for itself, and Prof. Ackerman is so well known and so well liked by all parties that there will not perhaps be any opposition to him. Certainly not any republican opposition, and considering that the office is strictly nonpartisan, there should be none from either of the other parties in Oregon, and following the precedent established by his two last immediate predecessors, Prof. Ackerman is entitled to another term—especially as the people of Oregon wish him to have it.



LOT L. PEARCE.

Candidate for the Republican Nomination for Secretary of State.

Lot L Pearce is a gentleman whom we have known many years part of which time he has held positions of honor and trust, but in which there was more personal expense than salary to pay it. He has given of his time without expectation of financial reward, commensurate with the labor and time involved. He has had considerable experience in his business career as an executive and the handling of a clerical force, such as the office of Secretary of State involves If nominated he will easily be elected and we may say that the office will move along as easily in the future under his guidance as it has in the past. We print a letter from him outlining his efficiency for the position: Mr Pearce says today:

I shall be a candidate before the direct primary election April 20th, 1906, for the Republican nomination for the office of secretary of state, and I solicit your support and assistance in the matter. If I am nominated and elected I pledge the people of the state of Oregon that the affairs of the office will be administered carefully and with the strictest economy consistent with efficient service, and in the interest of all the people of the state.

The office of secretary of state is not of a legislative nature in any sense of the word; that authority resting in the senate and house of representatives, in addition to which the people, through the initiative, have taken the privilege of legislation unto themselves. I consider that no state official should use his office, or the general power and influence which such office gives him, to influence the enactment or defeat of any measure before the legislative assembly or the people, or in any manner interfere with any other branch of the public service.

I am a native of this state; born in Pork county in 1866, and have had more than 23 years experience in business, my work having been largely of a clerical nature, and I am familiar with the line of work which would be required in the position to which I aspire.

Very respectfully,

LOT L. PEARCE.

Portland Chronicle.

Let us look a fact in the face. If Mr J H Whitney is re-nominated for State Printer, he would be constantly subject to attack by democrats and a source of weakness to the republican ticket, because of the immense sums he has drawn from the treasury and his well-known deal with political bosses in the last state convention. But, Willis S Duniway would add greatly to the strength of the republican ticket, for his record is clear. Party considerations demand Mr Duniway's nomination.

VOTE FOR HIM!

Baker City, Or, Mar. 25th, 1906.

Dear Sir:—Oregon is a large state and I fear that time will not permit me to visit your county. Will do so if possible.

Have made a hard fight for this nomination, and should Eastern Oregon, in which I have lived for eighteen years, give me loyal support, I will be nominated. This is her political opportunity, and I trust that you will see your way clear to assist me.

My platform includes:

State Bank Examiner.
Give Primary Law a fair trial.
High sense of official honor.
Liberal support to and high standard of education.
Rich and poor will receive alike courteous treatment.
With Roosevelt on railroad legislation and labor question.
Office of Land Agent must be above suspicion and without adjuncts.
Franchises should pay reasonable tax. Express and similar companies should pay on gross earnings in state.

Republican Candidate for Governor.

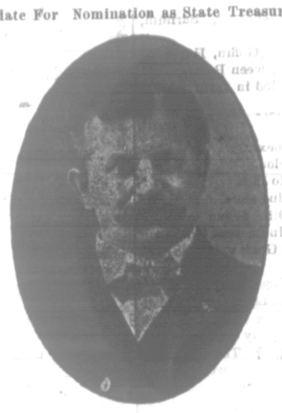
VOTE FOR

William J. Lachner of Baker City, Or.

For Representative in Congress.

His Motto is the people, and not the trusts, should rule this country. Every machine politician in this district is fighting his nomination.

Candidate For Nomination as State Treasurer.



JUDGE THOS. F. RYAN OF OREGON CITY.

Born in Rhode Island 46 years ago, Judge Ryan came to Oregon in his 21st year and entered into the employ of the Brownsville Woolen Co. at its factory in Brownsville. The following year he went to Oregon City where he has since resided. He has been elected as Mayor, City Recorder and School Director and Clerk of Oregon City, and for the last seven years has been the County Judge of Clackamas county, in which position he has proven himself to be an exceptionable business man, paying off an indebtedness of over $200,000 and at the same time constructing each year many miles of good, improved modern roads, and decreasing the tax levy each year.

In an interview Judge Ryan says: Being neither President, Cashier or Stockholder in any Bank or Agent nor Employee of any Money Loaning Institution I pledge myself to use and guard the funds of the State in a strict conformity to the laws of the State and for the interests of all of the people and not discriminate in favor of any institution or person. As a man of the people, independent of any clique, faction or corporation, I request the support of all Republicans in securing this nomination, and if elected I promise to perform every duty required of the State Treasurer in an efficient and economical manner.

Caution—Take Notice.

On the primary election ballot there will be two United States senators to be voted for. One to fill vacancy (for the short term) and one for the long term. Don't get them confused. Mr Mulkey is a candidate to fill vacancy (for the short term only.)

Frederick W. Mulkey, chairman of the Board of State Tax Commissioners, has announced his candidacy for the United States senatorship for the period that will elapse between the election of a successor to John M. Gearin, holding by appointment, and the election of a man to fill the six-year term beginning March 4, 1907.

If the legislature should fail to elect until the last day of the session, the man elected would hold for only two weeks, but should there be an election early in the session the short termer might enjoy fully a month or six weeks in the senate.

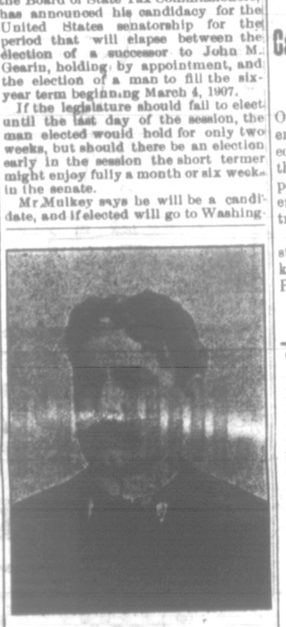
Mr Mulkey says he will be a candidate, and if elected will go to Washington, take his seat and participate in legislation pending.

Why I am a candidate for so short a term? Because I think there is a better chance of my election to that, than to the full term. In addition I should enjoy the honor of being elected to the United States senate.

Mr. Mulkey was born in Portland, and is a resident of his native city. He is a young man with every accomplishment which should qualify him for this high office. He is a graduate of the Oregon State University, the N. Y. Law School of N.Y.City, and is a lawyer of high standing, a man who has traveled extensively in our own country as well as abroad. He has studied our institutions and compared them with foreign countries. He is a logical thinker, a forceful speaker, and an adept parliamentarian. He has many friends, rich and poor, for he is a courteous gentlemen at all times.

He is a republican always; has supported all the nominees of the republican ticket at all times; is as loyal to his party as to his friends; has confidence in the people and is willing to abide by their decision at the primary election.

Those most intimately acquainted with him claim that Oregon needs such men as Fred W Mulkey; the republican party needs such men, and the voters should see that such men are nominated and elected.



FRED. W. MULKEY.

Candidate for Republican Nomination For United States Senator For the Short Term.

WILLIS S. DUNIWAY

Candidate for State Printer

At Republican Primary, April 20, 1906

"I hereby pledge the people of Oregon a great reduction of the enormous cost of the office, if elected, and I declare upon my honor that I shall seek neither to perpetuate old abuses of the office nor engage in new schemes to loot the treasury"—Willis S. Duniway.

"Willis S. Duniway is a man of sterling integrity and thorough knowledge of the printing business." Portland Labor Press.

OPEN PUBLICITY THE BEST GUARANTY OF MERIT.

When the maker of a medicine, sold through druggists for family use, takes his patients fully into his confidence by frankly and fearlessly publishing broadcast as well as on its bottle wrappers, a full list of all its ingredients in plain English, this action on his part is the best possible evidence that he is not afraid to have the search light of investigation turned full upon his formula and that it will bear the fullest scrutiny and the most thorough investigation. Dr. Pierce's Favorite Prescription for the cure of the weaknesses, periodical pains and functional derangements of the organs distinctly feminine, is the only medicine put up for sale through druggists for woman's special use, the maker of which is not afraid to take his patients into his full confidence by such open and honest publicity.

A glance at the published ingredients on each bottle wrapper, will show that it is made wholly from native, American, medicinal roots, that it contains no poisonous or habit-forming drugs, no narcotics and no alcohol—pure, triple-refined glycerine, of proper strength being used instead of the commonly employed alcohol, both for extracting and preserving the active medicinal properties found in the roots of the American forest plants employed. It is the only medicine for women's peculiar diseases, sold by druggists, that does not contain a large percentage of alcohol, which is in the long run so harmful to woman's delicate, nervous system. Now, glycerine is perfectly harmless, and serves a valuable purpose by possessing intrinsic value all its own, and besides it enhances the curative effect of the other ingredients entering into the "Favorite Prescription."

Some of the ablest medical writers and teachers endorse these views and praise all the several ingredients of which "Favorite Prescription" is composed—recommending them for the cure of the very same diseases for which this world-famed medicine is advised. No other medicine for women has any such *professional* endorsement—worth more than any number of ordinary testimonials. If interested, send name and address to Dr. R. V. Pierce, Buffalo, N. Y., for his little book of extracts from the works of eminent medical writers and teachers, endorsing the several ingredients and telling just what Dr. Pierce's medicines are made of. It's *free* for the asking.

OFFICIAL.

Proclamation.

WHEREAS, The Secretary of State of the State of Oregon has notified me in writing that pursuant to the provisions of an Act entitled "An Act making effective the initiative and referendum provisions of Section I of Article IV of the Constitution of the State of Oregon, and regulating elections thereunder and providing penalties for violations of provisions of this Act," approved February 24th, 1903, the Brewers and Wholesale Liquor Dealers' Association of Oregon, duly filed in his office on January 22d, 1906, an initiative petition containing 8301 signatures properly attached to a copy of said measure, certified in accordance with law, demanding that a proposed law, the title, tenor and effect of which is hereinafter particularly set forth, shall be submitted to the legal voters of the State of Oregon for their approval or rejection at the general election to be held in said state on the 4th day of June, being the first Monday in June, 1906.

NOW, THEREFORE, I, GEO. E. CHAMBERLAIN, Governor of the State of Oregon, in obedience to the provisions of said Act hereinbefore first mentioned, do hereby make and issue this Proclamation to the people of the State of Oregon announcing that the said Brewers and Wholesale Liquor Dealers' Association has filed said initiative petition with the requisite number of signatures thereto attached, demanding that there shall be submitted to the legal electors of the State of Oregon for their approval or rejection at the regular election to be held on the 4th day of June, 1906, said day being the first Monday in said month, a bill entitled "A Bill to propose by initiative petition a law to amend Section 1, and to repeal Sections 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17 and 18, and adding sections to be designated as Sections 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12, of a law enacted by the people of the State of Oregon under an initiative petition by a vote and election held at the general election in June, 1904, and entitled: 'A Bill to propose, by initiative petition, a law providing for elections in any county or any precinct therein or any subdivision of a county, consisting of any number of entire and contiguous precincts of such county, to determine whether the sale of intoxicating liquors shall be prohibited in such county or subdivision thereof, or in such precinct; providing for the filing of petitions for such elections and the form and effect thereof, and for notices of such elections and for the time and manner of holding and conducting the same; declaring what shall constitute a subdivision of the county within the meaning of this law; declaring what acts shall and what shall not constitute a violation of this law; declaring the qualifications of petitioners and of electors at such elections; applying to such elections the provisions of Sections 1900, 1901, 1902, 1903, 1904, 1905, 1906, 1907, 1908, 1909, 1910, 1911, 1912 and 1975, of Bellinger and Cotton's Annotated Codes and Statutes of Oregon; providing for printing and distributing ballots for such elections; prescribing the duties of public officers in relation to such elections and in relation to the enforcement of the provisions of this law; providing for the issuance by the county court of orders prohibiting the sale of intoxicating liquors within certain limits and declaring the duties of such courts in reference thereto; limiting the time within which the question of prohibiting such sale of intoxicating liquors may again be submitted to vote in the same district; providing penalties and punishment for the violation of any of the provisions of this law; providing for the return to any liquor dealer or other person of a proportionate amount of any license fee which he may have paid, whenever the district in which he shall be engaged in business shall be declared to be prohibition territory; and applying to all elections held under the provisions of this law, the provisions of the general election laws of the state, and declaring certain rules of evidence applicable to prosecutions under this act, and designating the precincts to which this act applies, and providing that this act shall not apply to the manufacture or sale of liquors at wholesale by brewers, distillers, vintners, or wholesale liquor dealers.'"

The tenor and effect of the said proposed bill is to so amend the said existing law that it will, if said bill is adopted, read as follows:

"Section 1. Whenever 30 percent of the qualified electors of any precinct in the state of Oregon shall petition the county court of any county for the privilege to determine by ballot whether the sale of intoxicating liquors as a beverage shall be prohibited within the limits of such precinct, such county court shall order an election to be held thereon at the next regular biennial general election in said county; but such petition shall be filed with the clerk of said county court not less than 45 days, not more than 90 days prior to such election. Such election shall be held at the usual place for holding elections in said precinct, if there be such place, and if not, then at such place as the county court may direct within said precinct, and notice shall be given and the election conducted in the same manner as provided by law for the election of general officers, so far as said law may be applicable. The election shall be conducted by the regular judges and clerks of election in all cases, and the county clerk shall furnish the ballots for such general election at which such local option vote is to be taken, prepared as hereinafter provided. The result of such election shall be certified by the judges and clerks of election in the same manner as the result of the election of county or other officers at a general election, and the county clerk shall enter forthwith the record of the result of the election upon the record of the county court of said county. In all trials for violations of this law the original entry of said record and copy thereof certified to by said county clerk, provided it shows that a majority of votes cast at such election in such precinct were against the sale of intoxicating liquors as a beverage, shall be prima facie evidence that the selling, furnishing or giving away of intoxicating liquors as a beverage, or the keeping of a place where intoxicating liquors are sold, kept for sale, furnished or given away (if such selling, furnishing or giving away of intoxicating liquors as a beverage, or the keeping of of a place where intoxicating liquors were sold, furnished or given away, occurred after 90 days from the date of entering the result of such election), was then and there prohibited and unlawful.

"Section 2. The ballots at any election where said local option question is to be voted upon, in addition to the names of officers and other matters thereon, shall be printed with an affirmative and a negative statement, as follows: 'The sale of intoxicating liquors as a beverage shall not be prohibited.' 'The sale of intoxicating liquors as a beverage shall be prohibited.' With a blank space on the left side of each statement in which to give each elector an opportunity to designate his choice by a cross, and if the majority of the votes cast at such election shall be in favor of prohibiting the sale of intoxicating liquors as a beverage, then from and after 90 days from the date of entering the result of such election it shall be unlawful for any person, personally or by agent, within the limits of such precinct, to sell, furnish or give away any intoxicating liquors to be used as a beverage, or to keep a place where such liquors are kept for sale or are given away or furnished for beverage purposes; and any person who from and after 90 days from the date of entering the result of such election in any manner directly or indirectly sells, furnishes, or gives away or otherwise deals in any intoxicating liquor as a beverage, or keeps or uses a place, structure or vehicle, either permanently or transient, for selling, furnishing or giving away, or in which or from which intoxicating liquors are sold given away or furnished, or otherwise dealt in as aforesaid, shall be guilty of a misdemeanor, and shall, on conviction thereof, be fined, not more than $250.00 for the first offense, and shall for any subsequent offense be fined not more than $500.

"Section 3. A petition for an election under the provisions of this law shall be sufficient if substantially as follows: 'A petition to determine whether the sale of intoxicating liquors as a beverage shall be prohibited in.....precinct of the county of.....in the state of Oregon.

(Date).....190..

"To the county court of.....county, state of Oregon:

'We, the undersigned, respectfully represent that we are qualified electors of.....precinct in the county of.....and state of Oregon, and that we hereby request you to order an election to determine whether or not the sale of intoxicating liquor as a beverage shall be prohibited in said precinct, said election to be held at the time of the next biennial election in said county.'

"The county clerk shall, upon receipt of such petition, immediately file the same, and shall thereupon compare the signatures of the electors signing the same with their signatures on the registration books of the election then pending, or if none pending then with the signatures on the registration books and blanks on file in his office for the preceding general election. If the requisite number of qualified electors shall have signed the petition, he shall thereupon see that it is entered in full in the records of the county court.

"At least twenty days previous to any election hereunder the county clerk shall deliver to the sheriff of the county at least five notices of the election for each election precinct in said county voting on the question. Said notice shall be substantially in the following form:

Liquor Election Notice.

Notice is hereby given that on ..... the.....day of.....190...at the .....in Precinct .....in the County of ..... an election will be held to determine whether the sale of intoxicating liquors shall be prohibited in said precinct, which said election will be held at 8 o'clock in the morning and will continue until 7 in the afternoon of said day.

Dated this.....day of.....190....

.....County Clerk
of.....County Oregon.

"It shall be the duty of the sheriff, at least twelve days before any election hereunder, to post said notices in public places in the vicinity of the polling place or places. Thereupon the clerk and the sheriff shall each briefly enter of record their compliance with the provisions of this section, and such record shall be prima facie evidence that all the provisions of this section have been fully complied with.

"Section 4. The phrase 'intoxicating liquors' as used in this act, shall be construed to mean any distilled, malt, vinous, or intoxicating liquor by whatever name the same may be known, but nothing in this act shall be construed to prevent the selling of intoxicating liquor at retail by a regular druggist for exclusively medicinal, pharmaceutical, scientific or sacramental purposes, and when sold for medicinal purposes it shall be sold only in good faith upon a written prescription, issued, signed and dated, in good faith, by a reputable physician in active practice, which prescription shall not be used but once; and nothing contained in any of the sections of this act shall in any manner affect the right of any bona fide wholesale dealer, brewer, distiller or vintner in said precinct to sell or deliver intoxicating liquors at wholesale.

"The words 'giving away' where they occur in this act shall not apply to the giving away of intoxicating liquors by a person in his private dwelling unless such private dwelling is a place of public resort.

"The word 'precinct' as used herein shall be construed to mean a voting precinct as established in the several counties of the state.

"Section 5. The following shall be deemed a sufficient entry and record as a result of an election held under the provisions of this act:

State of Oregon, County of .....ss.

The election held on the .....day of.....190...., in.....Precinct in the County of ....., State of Oregon, under the precinct local option law, resulted as follows:

Whole number of votes against the sale of intoxicating liquors as a beverage .....

Whole number of votes for the sale of intoxicating liquors as a beverage .....

.....County clerk.

"Section 6. The territory enclosed by the boundaries of any precinct within which the sale of intoxicating liquors has been prohibited as provided in Section 1 of this act shall be controlled by the result of such election and the law shall remain in full force and effect in said territory for two years and there after and until another petition is presented under the provisions of this act in said precinct for another election therein and the result thereof is against such prohibition.

"Section 7. Whenever any person, firm or corporation engaged in any kind of liquor traffic has discontinued such traffic, by reason of an election thereon within the time specified by Section 1 of this act, and has paid or has charged upon the tax or license roll with an assessment upon such traffic, the county court (or city council in incorporated cities where such license or tax is paid to the city), upon being fully satisfied of such fact, shall issue to such person, firm or corporation, an order refunding the amount of such tax or license, proportionate to the unexpired time for which said assessment or license has been paid or charged.

"Section 8. The petition for an election provided for herein shall be deemed sufficient when the petition shall be signed by as many qualified electors as is equal to 30 percent of the number of votes cast in said precinct at the last preceding general election for justice of the supreme court. In complaints, informations or indictments for the violation of this act it shall not be necessary to set forth the facts showing that the required number of electors in such precinct petitioned for an election or that the election was held or that the majority voted in favor of prohibiting the sale of intoxicating liquors as herein provided, but it shall be sufficient to state that the act complained of was then and there prohibited and unlawful.

"Section 9. At any time after two years from the date of an election held under the provisions thereof, but not before, another election may be petitioned for, and shall be ordered by the county court as provided for herein. But nothing contained in the provisions hereof shall affect, amend, or repeal, or alter in any way any other law, statute, or ordinance which prohibits throughout a municipality the selling, furnishing or giving away of intoxicating liquors, as a beverage, or the keeping of a place where intoxicating liquors are sold, furnished or given away as a beverage.

"Section 10. All money received from fines and forfeitures collected under the provisions hereof shall be paid into the treasury of the county in cases where the precinct is wholly outside of an incorporated city or town, and shall be paid into the city treasury in all cases where the precinct is within or partly within such incorporated city or town.

"Section 11. Any person being a qualified elector of a precinct wherein an election shall have been held as provided herein, may contest the validity of such election by filing a petition duly verified in the county court of the county in which such precinct is situated, within ten days after the election, setting forth the grounds of contest. The county judge shall have full and final jurisdiction to hear and determine the merits of said proceedings and in other respects in the procedure of such hearing he shall be governed by the law for the contesting of an election of a county officer, so far as such law is applicable. The county court or judge thereof shall require the person or persons contesting such election to furnish security for costs before such petition is filed. Any qualified elector of such precinct may appear in person or by attorney in such contested election case in defense of the validity of such election.

"Section 12. That sections 12, 13, 14, 15, 16, 17 and 18 of the law aforesaid, and all acts and parts of acts, in conflict herewith be and the same are hereby repealed."
