The moving picture show of scenes in ruined San Francisco, which exhibited in Moro opera house Tuesday night, gave one a better idea of the destruction than ordinary reading, but to realize the situation none ever can who were not a part of it. Manager Meach is doing his best to fill the demand for popular exhibits, and in this case was deserving of a better audience.

A quartet of Isaac Walton disciples from Moro were run down by rattlesnakes Sunday. They were sitting on the grass changing to dry shoes and socks when one of the number reeled his line to pack his rod, at the first snap of which Ernie saw a rattler and gave the alarm. J C, Ellis and Jack hustled to absent themselves with him. When quiet was restored and plenty of distance placed between them and the snakes, Jack started to reel again, and so did Ernie—as it was the rattle of the reel and not the snake he saw, that stampeded the last camp.

Dr Wiley, having knocked out so many frauds in his capacity as chemist of the agricultural department, is now sighing for other worlds to conquer. At present he is training his guns on what was supposed to be the innocuous cranberry, but in which the doctor's sharp eyes have detected benzoic acid, whose continued use is extremely injurious to health. Now, if benzoic acid is added to embalmed turkey, the kind that the cold storage people are handing out, it is easy to see that danger lurks in the popular Thanksgiving and Christmas dish, and it begins to look as if nothing is safe from the inquisitive iconoclasts.

Grandpa and Grandma Wheat, and little Miss Mills, met with a bad runaway accident Saturday as they were returning home from Moro. Descending the grade into Grass canon the team became unmanageable, and dashed down the steep incline colliding with a rock which threw the occupants out and 30 feet over a barbed wire fence into a field. Mrs Nelly Pike witnessed the occurrence from her home, and sent a field hand at once to the rescue, phoning at the same time for W B McCoy and a doctor. Dr Logan and Mr McCoy were soon at the spot, and after the excitement had settled down it was found that the aged couple were badly shaken up, and will be under the weather for some time. Mills escaped with a few bruises. The team is all right, but a new harness and buggy will have to be bought.

### Hump Back

SCOTT'S EMULSION won't make a hump back straight, neither will it make a short leg long, but it feeds soft bone and heals diseased bone and is among the few genuine means of recovery in rickets and bone consumption.

THE DEAL IS MADE.

More Flour Mills Will Now Renew Work.

A private dispatch from Mr Edson yesterday, informs us that the deal for the Moro Flour Mills has been completed, and that he will arrive here within 20 days to put the same in working order and will be ready to start the wheels rolling as soon as wheat begins to come in.

This is good news for the farmer; it is good for Moro; it is good for Sherman county. Mr. Edson is a practical, first class miller; one who understands the business from A to Z. And don't you forget it.

Headaches are mostly caused by the strain of

The Eyes and can be

Permanently Cured by wearing the

Correct Glasses to relieve the undue strain put upon them.

My Equipment for making an Accurate test of the eyes is Unexcelled by any office in the state. I have all the latest improved instruments, which are expensive, and know how to use them. Consult me. My advice in this matter will be worth something to you. I am strictly honest in my examinations, and never prescribe glasses, unless they are actually needed.
