Talking to Himself
A Scotchman, when asked why he always
talked to himself, replied:
"In the first place, because I like to talk to
an intelligent man."
"In the second place, because I always like to
hear an intelligent man talk."
We talk out loud for the Scotchman's reasons.
Would rather talk on P-r-i-n-t-i-n-g than
on any other subject.
We don't say a word about prices—it goes
without saying that prices are right.
And our work—if it's not right, send it back.

United States at Last Is a Creditor Nation

By ALFRED STEAD of England, Author of Books on World Politics.
HAS A MATTER OF FACT, I SEE NO WAY OF PREVENTING
THE BRITISH EMPIRE FROM GOING ASUNDER.
From the beginning we have taught the colonies under
all circumstances to foster the spirit of independence. Now
we find them actuated not only by a powerful tradition of loyal subor-
dination to the mother country, but by a long record of ideas and acts
UNFETTERED BY NATIONALITY. It seems to me to be too
late to repair the consequences of our error. More independence,
NOT LESS, is what the colonies will demand. Canada is entirely
without need of our support. South Africa is abundantly able to take
care of itself. Australia and New Zealand, being more exposed than
the other self governing colonies, will be last to break away, but
EVEN THEY WILL GO when they can do so with impunity.
WE NEED A BISMARK AS BADLY AS EVER GERMANY NEED-
ED ONE, BUT OUR BISMARK WOULD NOT BE PERMITTED TO
FORGE A SOLID EMPIRE ON THE ANVIL OF WAR. HE WOULD
HAVE TO EFFECT SUCH A RESULT BY STATESMANSHIP ALONE.

By ELIHU ROOT, Secretary of State
SINCE the first election of President McKinley the people of
the United States have for the first time accumulated a surplus
of capital beyond the requirements of INTERNAL DE-
VELOPMENT. The surplus is increasing with extraordi-
nary rapidity. We have paid our debts to Europe and have become
A CREDITOR INSTEAD OF A DEBTOR NATION. We have
faced about. We have left the ranks of the borrowing nations and
have entered the ranks of the lending nations. Our surplus energy is
beginning to look beyond our own borders, throughout the world, to
find opportunity for the profitable use of our SURPLUS CAPITAL,
foreign markets for our manufactures, foreign mines to be developed,
foreign bridges and railroads and public works to be built, foreign riv-
ers to be turned into electric power and light.
AS IN THEIR SEVERAL WAYS ENGLAND AND FRANCE AND
GERMANY HAVE STOOD, SO WE IN OUR OWN WAY ARE BE-
GINNING TO STAND AND MUST CONTINUE TO STAND TOWARD
THE INDUSTRIAL ENTERPRISE OF THE WORLD.
That we are not beginning our new role feebly is indicated by
\$1,518,561,668 of exports in the year 1905 as against \$1,117,513,071
of imports and by \$1,743,864,500 exports in the year 1906 as against
\$1,226,563,843 of imports. Our first step in the new field indeed are
somewhat clumsy and unskilled. In our own vast country, with oceans
on either side, we have had TOO LITTLE CONTACT WITH
FOREIGN PEOPLES readily to understand their customs or learn
their languages. Yet no one can doubt that we shall learn and shall
understand and shall do our business abroad as we have done it at
home, WITH FORCE AND EFFICIENCY.

England Needs a Bismarck.

Where Our Young People Are Behind "Old Timers."

By Dr. W. H. P. FAUNCE, President of Brown University.
THE young people of today, as compared with those of fifty
years ago, are chiefly deficient in power of sustained attention
and ORIGINAL THINKING. They cannot, or, at least,
they usually do not, think as clearly, as patiently and as cogently as
did their fathers. They do not as quickly distinguish the irrelevant
from the pertinent, THE KERNEL FROM THE HUSK, as the
men of the last generation.

PROVE IT ANY TIME

By the Evidence of More People
The daily evidence citizens right here
at home supply is proof sufficient to
satisfy the greatest skeptic. No better
proof can be had.
Here is a case. Read it.
Mrs. Mary Clark, of 218 West Second
street, Albany, Oregon, says: "I have
suffered from kidney trouble and back-
ache so badly as to be entirely help-
less at times. When I got Doan's Kidney
Pills, at the drug store, I had no idea
how they would help me. After a few
days use, however, banished the back-
ache, and regulated and strength-
ened the action of the kidneys. I then
started treating two of my children
who were afflicted with embarrassing
weakness of the kidneys. The neu-
ralgic symptoms promptly disappeared,
and both children have been comple-
tely cured."
I look upon Doan's Kidney Pills as a
god-send."
For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,
New York, sole agents for the United
States.
Remember the name—Doan—and
take no other.

A Hair Dressing

Nearly every one likes a fine
hair dressing. Something to
make the hair more manage-
able; to keep it from being
too rough, or from splitting
at the ends. Something, too,
that will feed the hair at the
same time, a regular hair-food.
Well-fed hair will be strong, and
will remain where it belongs—
on the head, not on the comb!

The best kind of a testimonial—
"Sold for over sixty years."
