## Talking to Himself

A Scotchman, when asked why he always  
talked to himself, replied:  
"In the first place, because I like to talk to  
an intelligent man."  
"In the second place, because I always like to  
hear an intelligent man talk."  
We talk out loud for the Scotchman's reasons.  
Would rather talk on P-r-i-n-t-i-n-g than

We don't say a word about prices—it goes

Wherein  
the  
Railroads  
Have  
Erred.

By  
E. H. HARRIMAN,  
King of  
American Railroad  
Magnates.

THE present agitation against corporations has brought about a condition of distrust that has increased the hire of money to an extraordinary degree. The cost of the capital necessary for the railways to continue their improvements is at least 25 per cent greater than it was TWO YEARS AGO. If we had to pay the same rate of increase for labor and material, it would bankrupt us all. It is a fair that these big systems will be DISSOLVED that has really been an important agency in creating the spirit of distrust.

They—we—all of us, ought to have considered the possible effects of this agitation BEFORE IT WAS BEGUN or before conditions that made its growth possible were allowed to continue.

IF WE HAD ALL MET TOGETHER ON COMMON GROUND AND CO-OPERATED FOR OUR MUTUAL BENEFIT, NOBODY WOULD BE WORRYING OVER THE SITUATION AS IT IS TODAY.

We men at the head of the great corporations are coming to a better understanding of what the government EXPECTS OF US. We are beginning to get the point of view of the administration. We feel that we are now, ALL OF US—the public, the government and the

railways—on a common ground, where we can deal with each other in the RIGHT SPIRIT.

I'm more than willing to give my support to such a process of enlightenment. I'm ready to make the advancement of such a scheme of co-operation my chief interest. Surely there could be few conditions imaginable that would be of WIDER PUBLIC BENEFIT than to eliminate hostile friction.

Railroad managers have, I am willing to admit, in the past neglected to build up a strong, harmonious relationship between themselves, the government AND THE PUBLIC. This matter has been left to subordinate officers, and the result has been that such relations have been completely neglected.

NOW WE MUST TAKE THE MATTER IN OUR OWN HANDS IN ORDER TO BRING ABOUT A BETTER UNDERSTANDING AND CO-OPERATION.

Our policy in the past has been a MISTAKEN one, but it cannot be said that we have neglected our service to the public. When one considers what the railroads have done to develop this nation we cannot believe that the railroads have been anything but beneficial to the nation. The marvelous development of the country has been due in a very large degree TO THE ENTERPRISE OF ITS RAILROADS.

Made Him Pause.  
"Oh, yes, we are engaged to be married, but I fear she has not that confidence in me that comes with perfect love."

"Why not?"  
"Well, when a fellow looks back—as a fellow in love naturally will, you know—and sees her testing the diamond in her engagement ring on the window pane don't you think he has good cause to feel a bit dubious?"

Screwdrivers.  
Some of the best screwdrivers are made from worn-out cotton spindles. In days gone by these worn-out spindles were thrown on to an old iron heap and left to rust until they were sold for old metal. Then somebody thought of grinding one end into a wedge and flattening the other. Result, a screwdriver of the best quality and a large percentage of extra profit for the cotton spinners.

## THUMPING HEADACHES

Many More Women Have Them, But Few Know The Real Cause.

Dull, thumping headaches; Sick, prostrating headaches; Dizziness, whirling, blind headaches; Point to disorders of the kidneys; Tell of uric poisons in the blood. Nerveless may ease the pain But won't cure the cause. Doan's Kidney Pills cure the Kidneys; Remove uric poisons, purify the blood, banish headache, backache, urinary ills. Mrs. A. M. ... says: "It is not often one finds a remedy so good as Doan's Kidney Pills, and I feel it almost a duty to tell my experience with this medicine. I had been suffering with kidney complaint, which brought on backache, pain in the loins, headache and dizziness. There was much annoyance also from irritability of the kidney secretions. Though I used several remedies trying to get relief, Doan's Kidney Pills procured at a drug store, were the best. In fact, there was really no comparison. They did all else had failed to do, and I cheerfully give them my endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

According to General Passenger Agent Wm McMurray, the OR & N Co will make especially low rates to Long Beach, and other coast points this summer, giving anyone who may desire, a chance to spend their vacation by the side of the sound- ing sea.
