AMERICA'S GREATEST WEEKLY
The Toledo Blade, Toledo, Ohio.

It is the only newspaper specially edited for National circulation. It has had the largest circulation for more years than any newspaper printed in America. Furthermore, it is the cheapest newspaper in the world, as the news of the world is so arranged that busy people can more easily comprehend, than by reading cumbersome columns of dailies. The only paper published especially for people who do or do not read daily news papers and yet thirst for plain facts. That this kind of a newspaper is popular is proven by the fact that the Weekly Blade now has over 180,000 yearly subscribers and circulates in all parts of the United States.
