Sherman County Notes

MONKLAND.

The people of Monkland called in a body Monday evening, on Mr and Mrs A Dillinger, to express their regret at their departure. Music, recitations, games, and refreshments made the hours pass quickly by. Mr Dillinger, in a few well chosen words expressed the pleasure this kindness on the part of friends and neighbors gave them, and invited his guests to visit them in their future home.

A C Thompson responded on behalf of the guests, and all retired feeling that they had spent a pleasant evening.

The way not to promote the progress of your children is to keep them out of school half the time, and then blame the teacher because they fail in their examinations and are not promoted at the end of the year. Moro has as good schools as any in Oregon now; see to it that the pupils get corresponding benefit from them.

With the hogs that the Inland Empire exports to ship Swinton in a year or two, comes alfalfa meal, and sugar beet pulp which any farmer in Sherman county can produce on summer fallow. A reliable fattening food, equal to corn, will make this section of Oregon the very richest portion of our great republic. If you can't see it you must be blind.

Drs Goffin's experiment this year with Kaffir corn prompts him to plant 80 acres next May. He was late in seeding it this year, but it came off in good shape before the summer fallow ground upon which it grew, was needed for fall sowing. This experiment solves one of the problems of diversified farming. It is a profitable forage plant.

ACT QUICKLY. For as you Know Delays have Been Dangerous in Moro. Do the right thing at the right time. Act quickly in times of danger. Back ache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous kidney ills. Plenty of evidence to prove this. Isaac Ford, Hood River, Or, says, "I used Doan's Kidney Pills about 4 years ago while living in Iowa, and the results obtained were most satisfactory. At that time I was suffering severely from kidney trouble, lumber, and rheumatism, and in spite of the use of many remedies, liniments and plasters, I obtained no relief. Severe pains would dart in my kidney regions and radiate to all parts of my body. At night there was a continuous dull aching which greatly interfered with my rest and as a consequence I would arise in the morning tired and worn out. Whenever I bent over or stooped severe pains would cause intense suffering. The kidneys were in a disordered condition and caused me much annoyance. Doan's Kidney Pills completely banished my trouble. Since coming here I had a slight attack of rheumatism but again applied to their use and the pains soon disappeared." For sale by all dealers.
