One of the strangest rivers in Oregon, perhaps the strangest in the world; is the river Ana. Its source is several large springs situated in the sage brush region of Central Oregon by some ignorantly called the desert, and it has no other inlet. WHY SO WEAK?
Kidney Troubles May be Sapping Your Life Away. Moro People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers headache, dizziness, spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Moro testimony to prove it.

OP Hulse, living in Moro, says, "Kidney complaint annoyed me for years. In my occupation I am required to do a great deal of driving, and the constant jarring of the wagon, and exposure to all kinds of weather, greatly weakened my back. The secretions were too frequent in action, being scant at times while at other times profuse and occasionally attended with pain in passage. I finally procured Doan's Kidney Pills at Moro Pharmacy, and the use of one box gave me entire freedom from back ache, and I was benefited in every way. I hold a very high opinion of Doan's Kidney Pills."
