Leading features of McClure's for November are: The fight for a new navy, showing that steps have been taken to correct the mistakes in the construction of our battleships pointed out a year ago. Fire, an American extravaganza, is a story showing that we burn down almost as fast as we build. The number also includes another installment of the familiar letters of Augustus St. Gaudene, and a thrilling story of old days in the west. There are six good short stories.

It is much too early to attempt, even though it were possible, to appraise the value of the conferences of the expert sanitarians, pathologists and physicians of the world, recently held in Philadelphia and Washington, upon the united war which the civilized nations are now waging upon tuberculosis. The scientific significance of the documents that have been made, and of the facts developed in the discussions, can only be determined by time and experience, but it is safe to say that these meetings have carried forward the campaign of education further than any single agency employed in the past, carrying to thousands of minds hitherto ignorant and indifferent, some appreciation of the magnitude of the task to be performed before the disgrace of the white scourge shall be banished, and of the weight of the obligation which rests upon modern society to carry the war to the end.

WHY SO WEAK?

Kidney Troubles May be Sapping Your Life Away. Moro People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Moro testimony to prove it.

OP Hulse, living in Moro, says, "Kidney complaint annoyed me for years. In my occupation I am required to do a great deal of driving, and the constant jarring of the wagon, and exposure to all kinds of weather, greatly weakened my back. The secretions were too frequent in action, being scant at times while at, others too profuse and occasionally attended with pain in passage. I finally procured Doan's Kidney Pills at Moro Pharmacy, and the use of one box gave me entire freedom from back ache, and I was benefited in every way. I hold a very high opinion of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
