It is quite evident that Tillman and Roosevelt would never be able to work harmoniously on the same newspaper.

If all the chickens are going to come home to roost, the White House will soon look like a live poultry market.

Send The Observer to your absent friends. It is better than a letter, and gives all the home news. Four months for 50c.

Does that make it four branches now of the United States government: Legislative, Judicial, Executive, and Secret Service?

"Are the republicans proud of their victory?" asks Bryan's paper. They are mighty well contented, but unable to say surprised.

A state legislature that wastes time at the start is certain to find itself embarrassed in essential matters as a session nears the end.

Battle ships bombarding with good offices the strongholds of distress and starvation in Italy's earth quake zone adds mightily to the victories of peace.

It will be good news to the farmers to hear that the Moro Hardware and Implement company will in future be able to supply all Holt Combine Harvester extras.

An Atlanta possum feast to Mr. Taft cost \$10 per plate. Lovers of the possum will be more alarmed than surprised by this advance in their favorite delicacy.

Missouri once considered the Dockery wink unrivaled, but it is said that the new varieties invented in the dry Southern states are simply bewildering in number and expressiveness.

Senator Teller, who is about to retire from the senate, finally ask knowledge the superiority of the gold over the silver standard. It is safe to say that he will never lead another bolt in a national convention.

With Austria not too certain that she will offer \$10,800,000 for the annexed provinces, and Turkey very certain to refuse the offer if made, politicians in the East are none too certain that the spring will not bring war.

Prof. Ferrero is struck by the good nature of the American crowd and by the patience and optimism of Americans generally. Mary Anderson finds them cool and undemonstrative. Both might learn, in a longer residence, that there are several kinds of Americans.

A London paper declares that a reciprocity treaty between the United States and Canada will surely bring about the absorption of the Dominion by this country. Should that ever happen what a lot of new stars would have to be added to Old Glory.

Sympathy will be aroused for the Kaiser in his attempt to live in a simple manner. Living the simple life on \$10,000,000 with 52 palaces to maintain, involves rigors of self denial unknown to possessors of 30 cents per diem incomes.

The imposition of the death sentence upon six of the Tennessee night riders will go far to restore order in that state and may not be without effort in some counties of Kentucky. The "mitigating circumstances" found by the jury gravely by the legislative assembly of the state. They did not justify, and cannot excuse deliberate murder.

Gigantic Land Frauds Uncovered--Government to Spend \$1,000,000 to Recover \$110,000,000. Oregon's Share is Large.

Washington dispatch to The Morning Oregonian.

Startling information of alleged astounding frauds upon the public lands has come into the possession of Secretary Garfield through special agents. The allegation is made that approximately \$110,000,000 worth of lands in states principally west of the Mississippi river have been acquired fraudulently within the last two years, by corporations and individuals.

With a view of recovering these lands Secretary Garfield has sent letters to Chairman Hale and Chairman Tawney, of the Senate and House appropriation committees respectively, asking for an additional appropriation of \$500,000, which, if granted, with that already asked for, will give the department \$1,000,000 for that purpose.

Secretary Garfield also submits a statement of H. H. Schwartz, chief of the field service, showing over 32,000 distinct cases of alleged land frauds demanding further investigation. Of such cases awaiting investigation there are:

Oregon	1,492
California and Nevada	1,409
Washington and North Idaho	1,325
Montana	3,605
Colorado	8,621
Arizona	496
Wyoming	21,155
Utah	1,482
New Mexico	1,209

According to these statements the value of the lands fraudulently entered in Oregon is \$1,835,000, including \$750,000 worth of timber lands acquired by C. A. Smith; \$200,000 by Fred Kribs; \$435,000 involved in 123 fraudulent timber entries (names not given); \$250,000 fine pine lands, and \$200,000 worth of coal lands within forest reservations. He also hopes to recover \$559,000 worth of lands in Washington, and a large quantity in Idaho.

Notes and News from Salem.

By a vote taken Tuesday Gov. George E. Chamberlain received 51 votes for United States senator, 38 of them republicans; Fulton 19 and Calk 17. Seven members protested their votes. A clear majority were in favor of the re-election of Senator Charles W. Fulton, but the highway man's "hands up" voter's choice, restrained them from carrying out their preferences.

Chamberlain will hold on as governor of Oregon until the new session is called together in executive session, or until the regular meeting of congress, next December.

Members generally explained the reasons for voting as they did. Senator Jay Bowerman said: "It is true that the senate is a representative body, but the question is: 'Whom do I represent?' I am not a senator for the state of Oregon; I am a senator for the counties of Sherman, Gilliam, and Wheeler, and I shall vote for the man chosen by them—the Hon. H. M. Calk.

House bill No 82, introduced by Campbell, provides for a commission one of whom is Hon. B. F. Pike, to manage the Soldier's home.

The second inaugural of Gov. Hughes is one of the best speeches he has ever delivered.

Ohio wants England to help celebrate Perry's victory on Lake Erie. That is like Tom Longboat asking Dorando to feel tickled.

To the eternal credit of the United States be it said, only this country has sent to the earthquake sufferers to date more money than the public collections of Italy itself; the South American countries come next; then England, with \$600,000 against our \$3,600,000. That Japan has sent more than Germany, Australia more than Russia, Turkey more than Austria, are other surprises.

Section 6, Art. 1 of the Constitution of the United States enumerates the immunities of senators and representatives, and provides that: "for any speech or debate in either house they shall not be questioned in any other place." Mr. Roosevelt, however, is not to be restrained by any such ridiculous thing as a constitutional, hence he proceeds to question four of them.

A Sprained Ankle.

As a rule a man will feel well satisfied if he can hobble around on crutches in two or three weeks after spraining his ankle, and it is often two or three months before he is fully recovered. This is an unnecessary loss of time, as by applying Chamberlain's Liniment as directed, a cure may as a rule be effected in less than one week's time, and in many cases in three days. Sold by Moro Pharmacy.

Joint Installation.

The Women of Woodcraft and Woodmen of the World, held a joint installation of the Moro lodges officers Wednesday evening. There was a large attendance, an excellent lunch, and some fine music rendered by the Moro Orchestra. At the close of the evening Neighbor Fred Hennagin was greatly surprised by being presented with a handsome water color picture for being "the best entertainer of the evening."

Officers elect were installed by O. J. Goffin, as follows: C. F. Coe P. O. C.; P. H. Buxton O. G.; A. S. Johnson Adv.; W. Rudolf Banker; J. M. Dunahoo Clerk; O. J. Goffin Physician; Geo. Mowry Escort; J. E. Blue Watchman; William Mowry Sentry; G. E. Thompson, Manager.

Mrs. Anna Urquhart installed the Circle officers as follows: Dr. Marie M. Goffin P. G. N.; Genie Blue O. N.; Maggie Strahl Adv.; J. M. Dunahoo Clerk; Mrs. F. A. Sayers Banker; Mrs. Maus Attendant; Mrs. Nellie Hulise Magician; F. A. Sayers Captain of Guard; Mrs. Eva Rudolf IS; Wm. S. Mowry OS; Mrs. Dunahoo Manager.

Rank Foolishness. "When attacked by a cough or cold, or when your throat is sore, it is rank foolishness to take any other medicine than Dr. King's New Discovery," says C. O. Eldridge of Empire, Ga. "I have used New Discovery 7 years and I know it is the best remedy on earth for coughs and colds, croup and all throat and lung trouble. My children are subject to croup but New Discovery quickly cures every attack." Known the world over as the King of throat and lung remedies. Sold under guarantee at 50c and \$1; trial bottle free, at Moro Pharmacy.

Dr. J. R. Morgan, Dentist, has arranged his appointments for Wasco for two weeks in each month beginning with the 15th day. The remaining part of each month he will be at his office in Moro.

Fever Sores. Fever sores and old chronic sores should not be healed entirely, but should be kept in healthy condition. This can be done by applying Chamberlain's Salve; this salve has no superior for this purpose; it is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by Moro Pharmacy.

WOMEN'S WOES.

More Women are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must 'keep up,' must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over when to stoop means torture; they must walk and bend and work with aching pains and many an ache with kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys.

Mrs. John Mathews, 717 East First St., The Dalles, Or., says: "A severe cold which settled on my kidneys weakened those organs, causing me much suffering. My back became so weak that I could not stand erect and I was also annoyed by the irregularity of the kidney secretion. When Doan's Kidney Pills were brought to my attention I procured a box and they proved to be just the remedy needed. I was quickly restored to perfect health and have had no return of the trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

All locals will be run till ordered out, unless otherwise specified.
