MORO CITY OFFICIAL PAPER. OFFICIAL PAPER OF SHERMAN COUNTY, OREGON.

D. C. IRELAND, Editor. C. L. IRELAND, MANAGER.

FRIDAY, DEC. 3, 1909

Church and Society notices FREE, except when for money making purposes.

Did it ever occur to you that it costs no more to produce printing than it is to the eye than the other kind.

The O A C is too first class to need bolstering by any species of modern gambling games.

On half an acre near McMinville, 40 Rome Beauty apple trees produced 320 boxes of apples that netted \$700.

Learning to ride an air ship is somewhat like it used to be to learn to ride a bicycle.

Hon A A Jayne of Hoodriver, has been elected vice president of the Bar Association of the 6th judicial district.

Work has begun on the million dollar cement plant at Oswego, by the Portland Cement Co.

Blue laws always are nonenforceable. Public opinion makes laws; what public opinion doesn't stand for isn't law.

Assessor Peetz will obey the mandate that calls him to Salem with other county assessors next week to show cause why he didn't stick it on the taxpayers this year stiffer than he did.

A pool of electrically charged water in a Salem street, knocked a team of horses silly and made the driver take notice one day last week.

A Linn county goat raiser lost 400 head in the Wallamet floods. A Polk county hop grower lost \$25,000 worth of hops.

Oregon boasts the only herd of Ibex on the American continent. The rare animals live in Baker county, in the Comocopia range.

Among the disastrous freaks of the storm last week was a flood of 10 feet in DesChutes river.

No one can study with closeness or fairness of mind, the character of Mrs Mary Baker Glover Eddy without being impressed with her remarkable executive and business instincts.

THE BOOSTER PLEDGE.

Lynden, Wa., seems to be an ideal place and Dan Cloud is the luckiest of all editors. The local commercial club has just voted him substantial evidence of its appreciation of his efforts to boost that locality.

We have some faint ray of a hope in the direction of a change in this way of thinking in Moro, since one of our leading financial and business men handed us the following for publication as The Booster's Pledge.

"On my word and honor I here and now declare that as long as I remain a resident of this community, it will be my constant aim to boost it all the time; I will do all I can for any public work or improvement that has the good of the community for its object.

GRAND ARMY CAMP FIRE. Lost Notes of Same Recovered in Time For Publication Today.

Your correspondent, who was made a special detail to report the meeting held in Moro Masonic hall on the 19th, under the auspices of W T Sherman Post No 4, G A R, beg leave to say that he performed the duty allotted him, but before submitting the report lost it, and only through the courtesy of Postmaster Parry just recovered it.

But about the meeting. It was called to receive Gen J P Shaw, department commander for Oregon G A R. The commander was on his annual visit to the various posts in the department.

Reason For Blowing. "Pop." "Yes, my son." "Why are the whales always blowing?" "Oh, just because one of their ancestors swallowed Jonah, I suppose." -Yonkers Statesman.

For That Dull Feeling after Eating I have used Chamberlain's Stomach and Liver Tablets for some time, and can testify that they have done me more good than any tablets I have ever used.

The Only Trouble. "Miss Pussay hasn't any beau at all, has she?" "No, her papa discourages suitors." "Why, there's nothing the matter with her just, is there?" "Nothing, except that it's too long." -Philadelphia Ledger.

Royal Baking Powder is the greatest of time and labor savers to the pastry cook. Economizes flour, butter and eggs and makes the food digestible and healthful.

pondered, and the time passed very enjoyably. The commander showed himself still to be a young man at least in feeling, as he gave us many very interesting stories.

We all know that Comrade Meader is a cool headed brave man, knowing which you must not take advantage of this little narrative of his and think for one moment that he lacked in one thing as a true soldier. In some engagement on Red river the Union forces suffered a defeat.

There are other verses much the same. This was sung as we left the hall, and when we reached the foot of the stairs Comrade Parry offered me a drink of water from his canteen, and as it smelled so good I accepted, with the result that I lost this report and have but just recovered it.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture.

It is expected that the new town of Hillman in Crook county will be situated on both the Oregon Trunk and DesChutes Railways, and the Portland, Baker City and Butte Electric. If you have any idea of investing in that division of the New Empire Wait! until you have investigated the proposition of Hillman.

For Exema, Tetter and Salt Rheum The intense itching characteristic of these ailments is almost instantly allayed by Chamberlain's Salve; many severe cases have been cured by it.

Royal Baking Powder is the greatest of time and labor savers to the pastry cook. Economizes flour, butter and eggs and makes the food digestible and healthful.

ROYAL BAKING POWDER. Makes most healthful food. No alum - no lime phosphates. The only baking powder made from Royal Grape Cream of Tartar.
