Did it ever occur to you that it costs no more to produce printing that is pleasing to the eye than the other kind. Of 109 typhoid cases in Salem all but 60 have recovered.

The Idle Weary Willies find that Spokane is not the easy mark they expected.

The "insurgents" in congress are puffed out with their boastfulness; but that is what was expected.

The consolidation fever has hit Minnesota, and the Little Falls Transcript has consolidated with itself.

At the annual memorial exercises of the Eugene Elks December 5th, Judge R R Butler of this district, delivered the address of the occasion.

The balance of $225,000 owing to Oregon by the defunct Title Guarantee and Trust bank, will be paid tomorrow by the bondsmen of Geo. A Steel, treasurer.

Portland bob-sled sliding killed a girl, fatally wounded a boy, and badly injured four other girls and three boys Sunday night. Such joy riding in the Rose City has now been suppressed.

About the most satisfying means of dealing with Mr. Zelaya, the modern exponent of ancient barbarism; would be to land him in Egypt, Illinois, and turn him over to the Cairo "Business Mens' Club."

The message of President Taft was read to Congress on the 6th. Action on Nicaragua is urged and also investigations of various national matters. The message contains about 20,000 words, none of them wasted.

Horace McKinley, criminal pal with Puter and the woman, in land frauds, must be conscience stricken. It is said that he is actually going to reimburse one of his victims. Wasn't he let out of prison on the poverty dodge? and did he ever pay his fine?

Congressman Hayes of California, has introduced a bill requiring aliens from European or Oriental countries to prove their ability to read English or some European language before being admitted to the United States of America. He has powerful support, and the indorsement of Secretary Knox.

Portland is resuming the fight against the two-legged tribe whose mouths vomit filth on the streets nastier than the droppings of a lot of buzzards. Explaining its aggressiveness, officials of the Nurses' Association state that this precautionary measure is one of the most effective safeguards that can be adopted against the spread of tuberculosis. The ordinance forbids expectorating on the sidewalks, or any streetcar or in public places of amusement or assembly.

Sherman county carried away the $100 prize for the best bushel of wheat, at the threshermans' meeting in The Dalles last week and the winner, Ira F. Hill of Edgelow precinct, also brought home the Silver Cup, awarded for the best threshing. Mr. and Mrs. Umberger of Moro Experiment Farm Station, were in attendance at the convention and Mr. Umberger delivered a very entertaining address on "Seed Selection, and the organization of Seedgrowers' Associations." The next meeting will be held at Albany next June. The convention was a great success, and the credit is mostly due to Secretary Bates, who so ably managed the affair.

A FIVE TO ONE INVESTMENT.

The Publicity Department of the Harriman System has entered into a definite contract to expend Five Dollars for every One Dollar contributed by the Tax Payers of Sherman county for the purpose of actually bringing into Sherman county men and families with money to invest in lands and enterprises here.

In order for the citizens of this county to take advantage of this proposition it will be necessary for the Tax Payers to petition the County court to provide a fund for the purpose. It will be necessary to levy a tax of ½ of one mill upon all the property in the county to raise this money.

To get this matter before the County court, the members of the Sherman county Development League will canvas the county during the second week in December to obtain signatures upon the petition.

This same sort of proposition has been accepted by 90 percent. of all of the enterprising Towns and Counties in the State of Oregon; we being one of the last to take up this method of helping ourselves, and getting upon the map. Seventy-five percent. of the Tax Payers have already indicated their willingness to accept this proposition and we trust to get your valued co:operation.

The member of this League who will call upon you will also have membership roll for you to sign. Every citizen of the county should belong to this League; no matter if man, woman or child.

The potato bug is bad enough, but the ever-present humbug is worse.

The British Bugett proposal and the standard oil decisions shook Wall street shorn lambs sufficiently.

Englishmen dearly revere their house of lords, but they want it to be docile, proper and chiefly ornamental.

It must be admitted that the United States is giving President Zelaya of Nicaragua some pretty hard Knox.

A large part of the woes of humanity are caused by thoughtlessness and blundering; a larger proportion, probably, than may be traced to deliberate wrongdoing.

Special precaution should be taken during the holidays to guard against danger of fire and loss of life and property from special displays, and particularly where numbers of children congregate in the halls and churches where Christmas festivities are held.

A carbonic gas tank fell off a delivery wagon at 4th and Washington streets Portland, exploding and did $2,000 damage to buildings, etc., in that locality. Luckily nobody was killed. The driver will perhaps see to it next time that the end gate of his wagon is closed.

Representatives of the Oregon Portage Ry, who are securing right of way for an extension to Dalles city from the big eddy, say that the state will have to construct a replica of the famous hanging bridge of the Denver and Rio Grande Ry, to pass along the bank of the Columbia river, where the line will have to contend with high water and other physical difficulties of a serious nature.

Talk about mergers, have you heard about J. Pierp's latest? $4,700,000,000 involved in it, viz.:

Equitable - - -	$1,300,000,000
Mutual - - - -	1,450,000,000
New York Life -	2,000,000,000
Total - - - -	$4,700,000,000

The amalgamation of the "Big-3" is possible as the result of the purchase of control of the Equitable by J. Pierpont Morgan. It was thought of before the financial suicide of Jimmy Hyde, the son of his dead father.

The Portland Live Stock Exchange offers for the best Christmas cattle shipped to the Portland Union Stock Yards, premiums as follows: Car of steers not less than 20 head, 1st prize $150, 2d $75; car of cows not less than 20, 1st $150, 2d $75; best single steer $25, 2d $15; best single cow, $25, 2d $15. Cattle to be judged December 14, and sold at auction that afternoon. This should be an incentive for shippers, as it is in harmony with the progressive teachings of the times.

A little heavier feed as the days grow more winterish.

And now somebody is trying to start a discussion on the cost of Solomons' temple; what nonsense, its paid for.

Football isn't altogether the whole thing. In a bull fight at Mexico city the infuriated animal drove a horn into a picador from Spain.

In spite of wind and weather, Arthur Cavill and two others swam the Willamette river at Portland Sunday. They say its easy for any day in the year. Is it?

A man from DesMoines, up in Spokane the other day boasted that he was proud of the commission plan of municipl government. He'd better say so; or keep away from Iowa's seat of government.

For That Dull Feeling after Eating

I have used Chamberlains' Stomach and Liver Tablets for some time, and can testify that they have done me more good than any tablets I have ever used. My trouble was heavy, dull feeling after eating, says David Freeman, Kempt, Nova Scotia. These tablets strengthen the stomach and improve the digestion. They also regulate the liver and bowels; they are far superior to pills, and cost no more. Get a free sample at Moro Pharmacy, and see what a splendid medicine it is.

WOMEN'S WOES.

Moro Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflicts humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys and is endorsed by people in this locality.

Mrs. John Mathews, 717 East First street, The Dalles, Ore., says: "A severe cold which settled on my kidneys weakened these organs, causing me much suffering. My back became so weak that I could not stand erect and I was also annoyed by irregular passages of the kidney secretions. When Doan's Kidney Pills were brought to my attention, I procured a box and they proved to be just the remedy I needed. I was quickly restored to perfect health and I have had no return of the trouble."

"Eggs For Invalids" read the sign at a certain shop.

"What is there unusual about those eggs?" asked a curious observer.

"Why, them eggs is an absolute novelty," said the dealer briskly, adding impressively in awed tones, "them eggs is fresh."—Liverpool Mercury.

For Exema, Tetter and Salt Rheum

The intense itching characteristic of these ailments is almost instantly allayed by Chamberlains' Salve; many severe cases have been cured by it. For sale at the Moro Pharmacy.

Poor Algy's face went ghastly white. "Why, darling," he exclaimed, "whatever's the matter? Are you ill? Shall I"—

"Oh-o," sobbed May, "I—thought you—loved me—you loved me best, Algy!"

"So I do, darling!"

"W-w-well, how can you talk so about that ugly, vulgar Luvliwun girl?"

Dr Successfully Treats Pneumonia

"In treating pneumonia," says Dr W J Smith, of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's Cough Remedy; while of course I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controled the trouble. I have used it myself, as has also my wife, for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge. For sale at Moro Pharmacy

The young man leading a dog lounged up to the ticket office of a railway station and inquired:

"Must I—aw—take a ticket for a puppy?"

"No; you can travel as an ordinary passenger," was the reply.—Universalist Leader.

"Do you think the climate affects a man's energies?"

"Undoubtedly," answered the leisurely person. "When the weather's cloudy you haven't the ambition to work, and then when it's fair it seems a shame to shut yourself up in an office."—Washington Star.

Ill Health is More Expensive

Than any cure. The country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-10ths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that first neglected cold, all this sorrow, pain, anxiety and expense could have been avoided. Chamberlain's Cough Remedy is famous for its cures of colds, and can always be depended upon. Use it and the more serious diseases may be avoided. For sale at Moro Pharmacy.

"Yes, the brother and sister both married for titles."

"I don't understand."

"She married to get the title of countess, and he married to get the title for one of the finest pieces of property to be found in the city."—Cleveland Leader.

Eva—Why did you refuse him?

Edna—He was too economical.

Eva—But I thought you said the young man you accepted would have to be economical?

Edna—But he was too much so. He actually proposed on a postcard.—London Express.

For a Lame Back

When you have pains or lameness in the back bathe the parts with Chamberlains' Liniment twice a day, massaging with the palm of the hand for 5 minutes at each application; then dampen a piece of flannel slightly with this liniment and bind it over the seat of pain and you may be surprised to see how quickly the lameness disappears. For sale at Moro Pharmacy.
