The Grain Growers Conveniences

Are not alone confined to Rural Free Delivery of mail and the Telephone. There is another convenience which all farmers should have—and many do have—a checking account with a good bank. The possessor of such an account avoids the risk of having his money on his person or about his home where it is in danger of fire and thieves. His bills paid by check are not only a valid receipt, but also a convenience in his home transactions where very often the necessary change for concluding settlement is not at hand. Don't stop to think this over, but start an account now with
