If you do not read The Observer, why not?

We would like to have you take it, and we know it would be profitable to you to become a subscriber. We send it two years for \$2.50; one year \$1.50; 12¢ a month isn't much. Try it. Order by postal card, and pay for it when you can.

Church and Society notices FREE, except when for money making purposes. Such notices at regular rates at the option of the publishers.

We will not be responsible for the neglect of subscribers to notify as of changes in their address. Nor will the notification of a Postmaster that the subscriber has "Removed" settle the bill of a delinquent.

Did it ever occur to you that it costs no more to produce printing that is pleasing to the eye than the other kind? The Observer is equipped with all the modern facilities for doing good work at the very minimum of cost. Try us with an order and if it is not executed to your perfect satisfaction you need not pay for it.

King George V. is making good. He has already won one horse race.

Roosevelt's real position seems to be that of lookout for the Outlook.

Col. Henry Watterson announces that he and Mark Twain were cousins. Mark never said anything about it.

All recent pictures of Roosevelt show him equipped with two pairs of eye glasses. One for regulars, and one for progressives.

Washington city is a very pleasant place of residence now; it is the presence of congress that make the population quarrelsome.

Porto Rico is able to negotiate loans at 4 percent. The connection with Uncle Sam is valuable financially as well as otherwise.

It may be a coincidence that two white men have been lynched in Dixie since Johnson whipped Jeffries, but it is a remarkable fact.

Some of the aviation flights of the day have a resemblance to the thrilling feats of a circus. It were better to master first the art of plain sailing.

The controversy over the raising of the wreck of the Maine is re-creating again. The Spanish war was too short and its memories are too long.

That Pennsylvanian whose seat in the lower house of congress cost him \$40,000 must have been cheated; he ought to have had a senatorship for that amount.

Aviator Hamilton says it is as easy to fly by night as by day. Some people have found it easier and the fly-by-night actor has been with us ever since barn storming began.

If our country boys could be taken through the congested districts of a city on a hot night, they'd decide to stay on the farm, and try for a share of the \$8,000,000,000 crop.

Experts say that Porter Charlton has "confusional insanity, exhaustive psychosis and hebephrenia." This will likely make Harry Thaw feel that something was missed in his diagnosis.

The enormous quantity of rubber used in this country was demonstrated one day last week, when three vessels arrived in New York carrying \$16,000,000 worth of raw Brazilian rubber.

Citizens of Pullman are alarmed at the possibility of not having an opera house. If the coming college year should be anything like the last one, however, they will have a 3-ring circus most of the time, so why worry?

Laying concrete on some of the locks of the Panama canal is proceeding at the rate of 4,000 cubic yards a day, about one cubic yard a minute. When the great work is finished there will be some wonderful stories to tell.

FIRST REPUBLICAN ASSEMBLY.

Sherman County Republicans Hold Their First Assembly Under The Primary Nominating Law.

The first question that might arise by those who have not given the matter much thought, is what are the differences between an old style political convention and the new term word used as assembly? A political convention, in Oregon or elsewhere, places candidates in nomination for office, and those of the party who do not support them are classed as traitors to their party. A political assembly has substantially the same membership secured in practically the same manner as a convention, but it has not the nominating power. About all the official life it has is to recommend to the party it represents certain candidates for party support. But if the party membership do not see fit to abide by that recommendation, they can propose any other member they may wish at the following party primaries, and still be classed within the party. In older political times a nomination was considered equivalent to an election by the strongest party. It does not now necessarily follow that a member recommended is even nominated.

The Assembly was called to order by County Chairman E. Olds. Col. C. A. Buckley placed in nomination for temporary chairman, W. H. Ragsdale, who was unanimously chosen. On taking the chair Mr. Ragsdale stated that he hoped all who were present were in earnest, sincere, and honest in their attendance and deliberations. L. Barnum placed in nomination J. P. Yates as temporary secretary, and L. W. Baker placed P. H. Buxton in nomination as temporary assistant. Both were elected by acclamation.

W. C. Bryant moved that a committee on credentials, one on resolutions, and one on order of business be appointed by the chair. Seconded by E. D. McKee, and carried.

Chair appointed on credentials: Clark Dunlap, J. B. Wheat, E. Olds, H. Schull, L. W. Baker.

On resolutions: W. C. Bryant, C. A. Buckley, Dr. Huddleson, F. Haynes, Clyde Smith, L. R. French, L. L. Peetz.

On order of business: E. D. McKee, L. Barnum, W. S. Hall, R. D. Cooper, W. I. Westerfield, E. Weld, C. A. Nish.

Adjourned until 1.30 p. m., at which time committee on credentials reported that there were no delegates present from Rufus, Biggs or Bigelow; no elections by precincts were held in Rufus or Biggs, and that sickness prevented the Bigelow delegate from being present. Besides those three precincts the remaining seven had elected 48 delegates, of whom 45 were present.

Grass Valley: L. W. Baker, C. A. Buckley, W. I. Westerfield, E. Olds, I. N. Lemon, R. D. Cooper, L. R. French, H. M. Shull, J. B. Morrison, E. E. Porter, J. T. Boothby.

Wasco: E. D. McKee, W. E. Tate, F. S. Lamborn, Clark Dunlap, Wm. Walker, E. L. Welds, C. C. Huck, E. E. Kaseburg, C. M. Huddleson, J. P. Yates, C. H. Howell.

Moro: W. C. Bryant, C. G. Silvers, F. R. Messinger, W. B. McCoy, W. H. Ragsdale, L. L. Peetz, M. A. Bull, O. J. Goffin, J. C. Teal, J. B. Wheat, P. H. Buxton, L. Barnum.

Kent: W. S. Hall, A. J. Holt, A. S. Johnson, Fred Haynes, Fred Schilling, John Reckman, Louis Schadewitz.

Rutledge: Clyde Smith, J. B. Thompson, Martin Hansen. Monkland: C. A. Nish, J. H. Elliott, Roy Kissinger.

Committee on order of business reported: 1st, that the temporary officers be made permanent officers of the assembly; 2d, report of the committee on resolutions; 3d, election of state delegates, to be apportioned as follows: Wasco and vicinity, 3; Moro and vicinity, 2; Grass Valley and vicinity, 2; Kent and vicinity, 2; To be nominated by the precincts as named, and confirmed by the assembly as a whole; 4th, recommendation for Circuit Judge; 5th, recommendation for Joint Representative; 6th, assembly take action on recommendations for county officers as it may see fit.

Committee on resolutions reported as follows: Whereas, The theory of the foundation of our government gives to the people the right of as-

sembly peaceably to discuss principles of government; to formulate policies; to propose measures for the consideration of the people and to do those things as to them shall seem most likely to effect their safety and happiness, and Whereas, Political parties are necessary and proper to promote the best interests of the people, and Whereas, The Republican party from its incipency has been a party of great principles, great undertakings and great achievements, and Whereas, Under its benign influence and leadership, the United States has been, and is now, enjoying a period of prosperity unprecedented in the history of our country. Therefore, be it

Resolved, That we, as Republicans assembled, do hereby reaffirm our faith in the principles of the Grand Old Party, and pledge to it our united, loyal, and enthusiastic support.

Resolved, That we endorse and approve the administration of President William H. Taft.

Resolved, That we favor a strict enforcement of the anti-trust law as it now exists, and recommend that the probing continue.

Resolved, That we recommend that every voter use the greatest care and caution in voting upon all the initiative and referendum measures.

Resolved, That we encourage improvements in our county roads and highways, and we demand that they be improved as rapidly as financial conditions will permit. We further recommend that the permanent highway leading from the mouth of DesChutes river to the interior be made better, and improved to accommodate the rapidly growing traffic.

Resolved, That it be the policy of this assembly to recommend for office men of ability, of integrity, of sterling quality, and that all such men receive the united and loyal support of the Republican party.

L. Barnum desired information as to the disposal of proxies of absent delegates. As there were no proxies in the assembly it was voted that the absent delegates be voted by the precinct as the majority of that delegation desired. All committee reports were then adopted as read.

Election of nine state delegates resulted as follows: Wasco, E. D. McKee, J. P. Yates, W. E. Tate; Moro, W. H. Ragsdale, L. Barnum; Grass Valley, W. I. Westerfield, L. W. Baker; Kent, Fred Haynes, J. B. Morrison.

Several short speeches were made favoring a special effort to secure the consent of Judge R. R. Butler to become a candidate for Circuit Judge, as he has proved to be a good, clean and impartial judge, and Sherman county wants him again.

On motion of W. B. McCoy, seconded by W. C. Bryant, the state delegates were instructed to work for Judge Butler for Circuit Judge. This being the only time during the assembly that the word "instruct" was used in any manner.

On motion of Clark Dunlap the assembly voted to recommend Col. C. A. Buckley for Joint Representative.

On motion of E. D. McKee, recommendation of K. A. McPherson as county clerk was asked for, as a man worthy, and of good habits. W. C. Bryant moved the recommendation, seconded by E. E. Porter and L. Barnum, and the assembly so voted.

E. L. Welds proposed that Capt. W. Stanley be recommended for the office of county treasurer, seconded by Col. C. A. Buckley, and so voted.

W. S. Hall proposed that A. J. Holt be recommended for county commissioner. Seconded by E. E. Porter, and so voted.

At this stage of the assembly everything came to a halt, appeared to need oil; no one had a word to say; the chairman could not get action. Finally W. B. McCoy took the floor, and said that all vacant offices had been filled with exception of sheriff, and wanted to know if the assembly desired to recommend for that also? No response to that invitation L. Barnum called for a standing vote as to whether a recommendation for sheriff be made at this time. Twenty-six voted to go ahead, no one voted not to do so, though some kept their seats.

On motion of H. M. Shull a recess was declared to find a candidate for recommendation to try to oust J. C. Freeman from the office

of sheriff. Most of the delegates appeared to consider it a hard job and did not want to recommend anyone for the office.

Upon assembly being called to order E. E. Porter proposed that Dr. M. B. Taylor be recommended for coroner. E. D. McKee made a motion to that effect, carried.

For the office of sheriff Col. C. A. Buckley, by request of Mr. Bull, proposed that the assembly recommend M. A. Bull for sheriff, seconded by W. B. McCoy. On motion of W. B. McCoy, seconded by L. Barnum, the secretary cast the ballot for M. A. Bull, for the recommendation as sheriff.

On motion of Clark Dunlap, precinct committeemen were nominated by the delegations as they were called as follows: Grass Valley, E. Olds; Wasco, E. D. McKee; Moro, L. Barnum; Kent, W. S. Hall; Rutledge, Clyde Smith; Monkland, C. A. Nish.

On motion of W. C. Bryant the assembly adjourned.

On articles of food the duty under the present tariff law is much lower than under the Dingley law, and in no case higher. An advance is therefore not due to the tariff. Search for the reason (or reasons) must be made elsewhere.

SAVING TIME by TELEPHONE

WHEN a man feels the necessity of being in two places at the same time he goes to the nearest telephone and sends his voice.

It is not exactly the same thing, but when a man talks hundreds of miles in opposite directions from the same Bell Telephone, it is about as good.

In the daily use of the telephone a man travels all over town by wire in a few minutes. It is just as easy to travel all over the state and other states by means of the universal Long Distance Service of the Bell System.

Pacific Telephone & Telegraph Co.

Every Bell Telephone is the Center of the System.
