

A GREAT FAVORITE

We are now selling a hosiery that has proven a great favorite, among all classes of wearers. The secret is its long life. The hosiery is

ARMOR PLATE.

The makers of this hosiery have just perfected a new dyeing process which does not weaken the yarn, a thing heretofore unknown in the hosiery field; that's the secret of the unusually long service its wearers gets.

"Armor Plate" costs no more than the hosiery you've been buying but wears fully twice as long. We KNOW for we've been selling hosiery for a long time, and Armor Plate is giving better satisfaction than any we've ever handled.

Suppose you let us explain more about this hosiery, or better still, invest in a pair for the boy or any member of the family and see if our claims are not true. We have all weights from the very finest gauze to the heavy ribbed kind and for all the family. We can save you the usual darning worries as well as a lot of money.

Delmar is a brick. The entertainments this week at the Opera House were well attended and everybody was pleased. Just as the winds scatter the clouds and give the sunshine a chance to peep out, so a laugh will often scatter the clouds which darken the sky of the heart, and Delmar is the man to produce the laugh. It is difficult to be moody with amusement in sight as we cannot be gloomy and laugh at the same time. Find something to laugh about the next time the clouds gather; or, if you cannot thus sing your sky clear, just think of Delmar.

NATURE TELLS YOU
As Many a Moro Reader Knows Too Well.
When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar, infrequent or too frequent action; Any urinary trouble tells of kidney ills. Doan's Kidney Pills cures all kidney ills. Moro people testify so this.

Frank Allison, Moro, Oregon, says: "I was laid up all last winter by pains in my back. The only way in which I could obtain any rest at night was by placing my hands on my back as support. Hearing of Doan's Kidney Pills, I gave them a trial and the contents of a few boxes effected a complete cure."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.
