

A GREAT FAVORITE

We are now selling a hosiery that has proven a great favorite, among all classes of wearers. The secret is its long life. The hosiery is

ARMOR PLATE.

The makers of this hosiery have just perfected a new dyeing process which does not weaken the yarn, a thing heretofore unknown in the hosiery field; that's the secret of the unusually long service its wearer gets.

"Armor Plate" costs no more than the hosiery you've been buying but wears fully twice as long. We KNOW for we've been selling hosiery for a long time, and Armor Plate is giving better satisfaction than any we've ever handled.

Suppose you let us explain more about this hosiery, or better still, invest in a pair for the boy or any member of the family and see if our claims are not true. We have all weights from the very finest gauze to the heavy ribbed kind and for all the family. We can save you the usual darning worries as well as a lot of money.
