

A GREAT FAVORITE

We are now selling a hosiery that has proven a great favorite, among all classes of wearers. The secret is its long life. The hosiery is

ARMOR PLATE.

The makers of this hosiery have just perfected a new dyeing process which does not weaken the yarn, a thing heretofore unknown in the hosiery field; that's the secret of the unusually long service its wearer gets.

"Armor Plate" costs no more than the hosiery you've been buying but wears fully twice as long. We KNOW for we've been selling hosiery for a long time, and Armor Plate is giving better satisfaction than any we've ever handled.

Suppose you let us explain more about this hosiery, or better still, invest in a pair for the boy or any member of the family and see if our claims are not true. We have all weights from the very finest gauze to the heavy ribbed kind and for all the family. We can save you the usual darning worries as well as a lot of money.

A Wellesley professor says the two sexes are not equal; but what is to be gained by talking about it?

The emperor of China has made a hit among civilized nations by deciding to wear his shirt inside his trousers.

Old type metal makes the best and the cheapest babbling. The Observer has a lot of such material for sale cheap.

Blue stem and Club wheat on the Don Wheat farm is now in the stack, and it is expected will go 12 and 10 sacks to the acre.

Harvesting will be close to a finish in this county by the 10th of September. Then for a good rain, good roads, and doodles of wheat hauling.

A few drops of rain, just enough to fleck the dust, fell upon Moro on the 15th, in time to declare J O Thompson winner of his 2d proposition for rain this month.

Mr Umberger, superintendent of the Experiment Farm at Moro has returned from his inspection of government work along similar lines in Snake river valley, at Nampa, Gooding and Caldwell.

E A Cushman is hauling 3-ton loads of wheat at a trip to Moro station this week. Now that he has made a record as a leader in Sherman county wheat production he goes to Wallowa, the next best in Oregon.

Roy Powell is preparing to occupy his newly acquired possessions in Wallowa. Well, that's a good county, Roy; but it is a long way short of being as good as this to our notion.

A G Boesen will move to Wallowa county next month. We do not relish the idea of losing so many of our good farmer friends, but they are still members of The Observer family.

That German professor who holds that man is descended from four varieties of monkeys has stirred up some comment among the men, but the women have nothing to say.

Drinking water will be supplied at the Oregon State Fair grounds this year from several driven wells forced to fountains by a compressed air system. Heretofore this feature has received little attention but the present board of directors have endeavored not to overlook anything for the welfare of visitors with the result that this system of drinking water has been properly installed. The service system of 1909 has been enlarged upon, which brings the sanitary condition of the grounds up to a high state of perfection, giving adequate drainage.

A fast special of five cars loaded with bridge timbers, speeded its way to the front Wednesday afternoon, killing a stranger who accidentally fell from one of the cars near Kent. The remains were so mangled that identification was impossible after the fragments were gathered together.

The Godfrey family gave two exhibitions at Rudolf opera house this week. The program was very heartily applauded and the company declared to be far the best that has appeared here for several seasons. Prof. Godfrey certainly made good in his violin playing and rifle shooting from the slack wire. Mrs. Godfrey is a dramatist of no small merit, and her serpentine dances were executed in good shape. The little girls did some clever stunts in their performances, and their singing shows talent and good training. Should the Godfrey family come to Moro again they may be assured of a good house. They are one show that delivers the goods.
