Walter E Thompson, brother of
H A., known here some 20 years
ago as a bright young man, died
in Arizona on the 3d, aged 33 yrs.
For several years past he has been
connected with the government
service, in the Quartermasters de-
partment. The remains were in-
terred in the family lot at San
Francisco, where the mother, Mrs
M J Thompson, still lives.

A farmers' campaign against
weeds is just what is wanted, "they
do say;" but don't look at the
abuse in towns; however, the only
movement that can result in any
considerable benefit in the way of
abating the weed nuisance is con-
centrated action and an honest pur-
pose; everything goes for nothing
in any other way; one man isn't
a bit more to blame than another.
Jaw-bone is cheap; work counts.

The Rogue river orchard, for
which Col C A Buckley and Mr
Baker of Grass Valley, paid \$27-
500, will net them \$20,000 in ap-
ples alone this year, 14,000 boxes
of apples were picked from 32
acres of 20-y old trees. The place
has quite an interesting history.
The orchard was formerly old Ft.
VanNoy, and was the scene of
hostile preparations during the In-
dian wars. It was named for the
original settler on the land. A ford
and a ferry was maintained at this
point on the river, and the place
was known all over Oregon, now
it is becoming known everywhere.
We do not know how our friends
here found out about it so well,
but it was sure a lucky strike for
them that they bought it.

A Good Position
Can be had by ambitious young
men and ladies, in the field of
Wireless or Railway telegraphy.
Since the 8-hour law became effec-
tive, and since the Wireless com-
panies are establishing stations
throughout the country, there is a
great shortage of telegraphers. Posi-
tions pay beginners from \$70 to
\$90 per month, with good chance
of advancement. The National

Railroad and Wireless officials,
