Case & Case are beautifying the city residence of O B Messenger with three good coats of paint.

Potatoes have all along, since last fall, sold at \$1.75 per sack. Last week they took a jump to \$2.75.

A few days like this will fix the high water danger mark in the Snake, Columbia and Wallamet rivers.

A New Jersey man ate pie twice a day for 89 years; he is dead now but he knew something about the joy of living.

When you are good you are afraid people won't find it out, and when you are bad you are afraid they will.

Miss Frankie Sayrs has returned from a Mosier trip, visiting with Mrs Race. She met Mrs Ramsey and daughter there also.

Among the names selected by Gov West for a committee to revise the judicial system of Oregon we note that of Judge R R Butler, Condon.

We have never been able to make up our mind which is the greater affliction; a boil on the back of the neck or an artistic temperament.

If a young man loves a girl, that is his business. If she smiles at him, that is her business. If they get married, that is their business, and for selling good furniture cheap, for their new home, that's our business. Moro Hardware & Implement Co.

Birthday Postal Cards at The Observer Book Store.

For a bargain in a good 2d hand Holt combine see C G Silvers.

No more do we hear the 3/4 past 8 o'clock public school bell in this city.

Mrs Martin Hansen and Mrs Frederick Hennagin were shopping in Moro on the 26th.

If a man is happily married he is pretty certain to like the preacher who performed the ceremony.

Little Miss Blue entertained a score of her class mates Monday, the occasion being her birthday anniversary.

Decoration Day was generally observed by people in this city having kindred and friends in the city of the dead.

Jas Stewart's flock of 4,000 sheep was sheared at Payne Bros corals, and the wool hauled to Grass Valley; an average clip.

Dr O J Goffin took W B McCoy to Portland Tuesday for treatment for a bad case of cancer of the stomach, recently rapidly developing.

Postmaster-Gen. Hitchcock has made good, having reduced the last 20,000,000 deficit to a surplus of \$1,000,000, through good business management.

Evangelistic services at Moro M E Church Sunday at 11 a m, 7:30 p m, and preaching at 8 o'clock p m. Rev J Williams evangelist. All are cordially invited.

The state purchasing agent has got on to his job; he ordered a box of soap last week for the reform school.

The circus poster men reached Pendleton just in time to be caught by the anti-sign ordinance; a good law for other cities.

Imagining himself a monkey, a New York man tried to get into society; the officers are of the opinion that his mind isn't just right.

The Puget sound country are importing potatoes from the state of Maine; the moral is plain, Washington people should grow more spuds.

New shoes and Oxfords for men, ladies, and children. Something snappy and up to date. Good quality and moderate prices at the Moro Commercial Co.

Large numbers of the pupa of the 17-year locusts are being plowed up in Palouse this spring and some anxiety is felt as to the probable injury the pests may inflict upon the crops.

Superintendent of Public Instruction Alderman is spending a month in the Inland Empire. He will visit the various schools and attend many of the graduating exercises to be held in June.

Scientists have tried to give a reason for the cussedness of mules, but we can't believe their solution of the problem is correct. The average mule is susceptible to gentle treatment; bad men make bad mules.

Goldendale has two flowing artesian wells, one at a depth of 67 feet, and one at 100 feet, and a 3d 10-inch hole has been started just outside the city limits; three times Goldendale has been destroyed, or nearly so, by fire; it is safe to presume that at the next affair of that kind some fire fighting will be conspicuous.

Removal Notice: Huntington & Wilson, of The Dalles, have opened offices in Portland, Oregon, rooms 805-807 Lewis building. Business sent to them from Sherman county through their offices in The Dalles or direct to their Portland address, will receive prompt attention. Portland phone, Main 7536.

That undefinable horse disease has again struck Walla Walla, and up to the 26th 100 head have died of it. No horse stricken has been known to recover; the symptoms are walking; the horse will walk over anything, up against a wall or fence, suffering terribly; some live longer than others, but two weeks is the limit.

Pioneers of Oregon will gather in Portland June 21st, for their annual reunion and banquet. Arrangements are made by the Pioneer association for the event, and this will be the greatest reunion in the history of the society. Secretary Himes has arranged an interesting program.

Harry Elkins and a party from Albany attempted to cross the Cascade mountains last week, but found that Old King Winter still has possession; the mountain passes are filled to a depth of six and eight feet with snow and glaciers forming every night; at Tombstone prairie, they found 15 feet of snow still in a glacial condition.

Petersen Bros and Dunbar's Vaudeville company are billed at the Rudolf opera house Thursday, Friday and Saturday nights, June 1st, 2d and 3d. Good musicians, acrobats and comedians. Prof Del Mar, the man of mystery; Rob. Dunbar, the youngest comedian in the world in Irish, Dutch, black face and other characters; the show that makes you laugh; two hours of fun. Listen for the band on the street each evening.

P H Buxton has taken the agency of E Peoples' Funeral supplies, at Moro.

Man hates work, but even at that he would rather work than be worked.

The next grand lodge of Odd Fellows will be held at Pendleton.

Marriages cannot be solemnized in this state hereafter by unlicensed ministers.

If you want to be up to date subscribe for The Observer. Get your job printing done here.

W H Moore was in the city last week making arrangements for resuming operations at Moro flour mills.

Bring your job printing to The Observer office. Neat, attractive work and reasonable prices guaranteed.

Miss Ethyl Morgan of the Kent Commercial Co., was the guest of Miss Webb, in this city, Saturday and Sunday.

Prof Fagan and wife accompanied W H Ragsdale to Wamic Tuesday, on a brief visit, combined with business.

There is said to be other suns 50,000 times larger than our own, but we wouldn't like to trade; our sun this week seems almost as good as new.

Dalles city now has a concrete reservoir that will store 3,000,000 gallons of water; the new basin is 235 feet long, 144 feet wide and 20 feet deep.

Now is the time to buy your spring suits. Men's and boys' suits in the new shades and designs just received and now on display at the Moro Commercial Co.

The concrete brick machine in use in this city has a 10,000 per day capacity but only averages 7,500 per day ready for the walls after a brief seasoning; 90,000 will be required for the work on the new school house.

Relentless war on magpies in the vicinity of North Yakima is being waged by boys and men as the result of the proffered bounty of 7 1/2 cents per head which the auditor's office is paying for the scalps of the birds, big or little, old or young.

Moro Flouring mills are to be put into first class order to resume business soon after the next harvest. That it will be found to be a profitable venture there cannot be a doubt, and Mr Mosman, who is to be the man at the helm, is known as a thoroughly practical flour maker.

An exchange gives the following as a sure cure for the pesky, pestiferous, numerous and disagreeable fly: Take half a teaspoonful of black pepper and a whole teaspoonful of cream, mix well and put on a plate, then place where the flies are most troublesome and they will soon disappear.

The postal authorities at Washington recognizing the liability of postmasters to make mistakes in getting letters in wrong boxes, fixed a penalty of \$200 on persons taking mail other than their own out of the office and not returning it at once. This law also includes newspapers. The excuse that it is the postmaster's fault "cuts no ice." If you have been getting other people's mail you had better take warning or you may get yourself into trouble.

Mrs Berey, matron, and John Corbett, jailor, at Seattle, are in the limelight for parading nude women prisoners. Mrs Berey said to the committee, relative to the parade, that Corbett had left blankets for the transfer of the women prisoners; that he had given instructions for their use, but that as no men were in sight at the transfer, and as the quarantine officer was urging her to hurry, she had, with the consent of the quarantine officer, had the women step in nude condition, from one cell to another.

According to figures compiled by Mr Alderman, superintendent of public instruction, from reports of different county school superintendents, 50 percent of the pupils taking 8th grade examinations in this state failed to pass; reports show the subjects on which the students failed were generally civil government and grammar. Mr Alderman now believes that the questions prepared were too hard for 8th grade classes, and it is likely easier tests will be prepared to be taken this month.
