J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and before the bottle was all used the boy's cold was gone. Is that not better than to pay a five dollar doctor's bill? Sold by all dealers.

The New Year Resolution.

Mitchell Sentinel: The first of the new year we will be compelled to drop the names of subscribers who owe us for the Sentinel for 1911; but don't understand us that we are not going to collect the amount due us, for we are, or at least try to collect. We don't like to lose a single subscriber; but we can no more publish a paper and give it to you for nothing than we could run a saw mill and give you the lumber. So if you want the paper you will have to pay for it.

The Reading Habit.

Bad habits are abominable things, and usually they stick closer than a burr to a sheep's back; you must fight to get rid of them and give good habits a chance. A good habit that it is worth while to cultivate is that of reading The Observer ads "through and through;" don't run the risk of letting an opportunity get by you.

Crossed the Fifty-second Mile Post.

Newberg Graphic: Tuesday was the fifty-second anniversary of the birth of W E Allison—and the good wife took him by surprise when a number of the neighbors and friends were ushered in to spend the evening in a royal good way. The time was so pleasantly spent that W E is planning to live fifty-two years more in order to enjoy more evenings in a like manner.

Checked to Death

Is commonly said of babies who have died of the croup; how unnecessary this is. No child ever had the croup without having a cough or cold at the start; if you will stop the first symptom of the cough with Ballard's Horehound Syrup there is no danger whatever of croup. Sold by Moro Pharmacy.

Neglected Calling in the Doctor.

Gervais Star: When the tongue of trade is coated, when the eyes and limbs of the clerk are dull and languid, when the raging fever tackles the empty vaults of the till, when the spider roosts in the empty cash box, and bouquets of decay are on the chandeliers it is conclusive that the advertising doctor has not been called in.

School Tax Levy.

At the special school meeting, held in this city on the 23d a tax of 5-mills was voted, 1 1/4 for the new building purposes and 3 3/4 for general purposes. This is just half of the tax of last year and the indications are that in two or three years a tax of 3-mills will be ample for all purposes.

If you have young children you have perhaps noticed that disorders of the stomach are their most common ailment. To correct this you will find Chamberlain's Stomach and Liver Tablets excellent. They are easy and pleasant to take, and mild and gentle in effect. For sale by all dealers.

Here is a woman who speaks from personal knowledge and long experience, viz., Mrs. P. H. Brogan, of Wilson, Pa., who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other. For croup there is nothing that excels it." For sale by all dealers.

A Christmas Present From Condon.

Times: One ex we always read is The Old Reliable Sherman County Observer and when we read we always have in mind Mr Ireland at the case setting up his editorials without the use of a pencil. The O. Man, as he is sometimes called, must be one of the oldest editors in the state and altho we fought occasionally we always had a respect for D C Ireland as a man of superior ability with a fund of old time lore in his cranium that does not get the appreciation it deserves.

When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible. Here is a drug gist's opinion: "I have sold Chamberlain's Cough Remedy for fifteen years," says Erce Lollar of Saratoga, Ind., "and consider it the best on the market." Sold by all dealers.

War With Japan

Could not possibly make so many cripples as rheumatism does every year; and yet there is no reason why this disease should cripple anyone; if all sufferers will rub the affected parts night and morning with Ballard's Snow Liniment: cures all aches and pains. Sold by Moro Pharmacy.

COLDS AFFECT THE KIDNEYS.

Many More People Have Found This To Be True.

Are you wretched in bad weather? Does every cold settle on your kidneys? Does your back ache and become weak? Are urinary passages irregular and distressing? These symptoms show kidney weakness. The kidneys need quick help. Doan's Kidney Pills cure kidney suffering. Moro people say so.

Carl Peetz, Moro, Or., says: "Since publicly recommending Doan's Kidney Pills in 1907, I have taken them whenever I've been in need of a kidney medicine and I've always received relief; I still hold this remedy in high esteem; kidney complaint made me miserable for years and my condition was so bad that I could scarcely walk; my whole body was sore and my back ached a great deal; I had to arise at night several times to pass the kidney secretions, and my rest was disturbed."

"Visits to Hot Springs relieved me for a while, but as soon as I caught cold my back bothered me as badly as ever. Finally I read about Doan's Kidney Pills and as they were strongly recommended, I procured a supply at Moro Pharmacy; the contents of the first box helped me and I continued their use until I was relieved of the backache and trouble from the kidney secretions; I do not think I could get along without this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
