## BABY SPECIAL COMBINED HARVESTERS

16 AND 18 FOOT CUT

If a thief should steal into your house and carry away \$1,000.00 in cold, hard cash, you would consider that you had been visited by a calamity.

A great hue and cry would be raised, and no pains would be spared in an effort to catch the thief.

You Have a Thief on Your Farm Now! The Old Stationary is Robbing You EVERY HARVEST.

Adopt the Holt Combined Harvester. It will save you from \$2.00 to \$3.00 an acre and it doesn't take many acres to amount to \$1,000 saved.

Place your order now. Our deliveries are going rapidly.

Read below what Nick Kiser, of Ferdinand, Idaho, says. He saved \$400.00 in Seven Days on 141 Acres. Harvesting with a Holt Harvester.

Ben Grote, of Clyde, Washington, is one of the largest farmers in the State. He used a Holt Harvester in 1911, and Grote Brothers have ordered five more. For 1912.

Geo. Drumheller, of Walla Walla, has harvested with Holt Harvesters since 1898. He now uses six Holt Machines which he has purchased from time to time to harvest his immense crops.

R. O. BOX 136.

With Kiser's of Ferdinand, Idaho, who saved \$400.00 in seven days on 141 acres, he saved \$400.00 in labor and horse power. He used a Holt Harvester. On one 18 foot cut of barley I threshed 20 bushels more than I have ever been able to get all this grain with a stationary.
