BRIEF NEWS OF OREGON

Work on the Klamath Falls-Portland out-of-the Southern Pacific railroad is to be pushed to completion.

At the municipal election in The Dalles, J. S. Fish was elected mayor by 23 votes over Harry Clough.

Cheerful in spite of age and physical infirmities, a great throng of Oregon pioneers—about 1000 of them—attended in annual reunion at Portland.

The people of Klamath Falls are in the grip of the gold fever, high strikes of high grade ore being reported from New Pine creek and Mount Hebron.

Twenty-eight students were graduated at the Oregon Normal School at Monmouth. Twenty were from the standard courses and eight from the elementary department.

The 22,000 school of mines building at the Oregon Agricultural college is to be ready for the installation of the mining machinery and laboratory equipment September 1.

The state board has appointed William S. Hale, of Portland, superintendent of the state reform school, filling the vacancy made by the resignation of Superintendent Loney.

The marriage spirit has been at a low ebb in Hood River county for the past six months. The records of the county clerk indicate that only 25 couples have taken out licenses.

Because jackrabbits are so thick in Harney county that they are a menace to crops, the people of that county desire to initiate a law authorizing the county court to pay a bounty on rabbit scalps.

Pamphlets containing initiative and referendum measures to be voted on at the general election in November will be put in circulation among the voters by the secretary of state, probably by August 15.

After a lively but friendly tilt between Newberg and Tillamook, Newberg won out at the encampment of the Grand Army of the Republic at Salem and was slated for the next encampment in June, 1913.

Application of the Southern Pacific for relief from operation of the long and short haul clause of the interstate commerce act between Portland and San Francisco bay points has been denied by the interstate commerce commission.

The house has authorized the sale of 200 acres of Umatilla reservation land to the city of Pendleton for water supply purposes, and also the sale of the useless government site at Forest Grove for the benefit of the Chemawa Indian school.

Although Klamath Falls has adopted two charters in three months the voters of the city are said to vote on a third. The council has decided that the best way out of the present chartered middle is to appoint a commission to draft a new instrument.

Resolutions were passed by the state encampment of the Grand Army of the Republic approving the management of the old soldiers' home at Roseburg and calling upon the legislature to appropriate funds for the enlargement of the institution.

The Portland, Eugene & Eastern has filed with the secretary of state supplementary resolutions to their articles of incorporation which provide for an extension of the line from Seaside to Silverton, from Silverton to Molalla, and from Molalla to Canby.

As a result of trouble between cattlemen and sheepmen in Baker county, Governor West has announced a reward of \$500 for the arrest and conviction of any person destroying flocks, intimidating employees and menacing the lives of sheep owners.

Engineers began work last week on the survey for the new railroad from Metolita to Prineville. Actual construction work will begin August 5. To secure the road the people of Prineville and Metolita have agreed to subscribe for \$100,000 in six per cent bonds.

Some excitement was created in Seaside by the discovery of a human skull, half eaten in a kettle of quicklime, in the top of the Gray building. Patches of hair and bloodstains are still clinging to the bone and indented in the forehead is a piece of lead having the appearance of a flattened bullet.

That a winery may be established in Douglas county, even though that is a dry county, was held by Assistant Attorney General Crawford in reply to an inquiry sent by R. C. Fish, of Portland, to Secretary Olcott. This is with the proviso, however, that the wine which is manufactured be sold in wet territory and not in Douglas county.

One of the largest fees ever awarded to an Oregon attorney was the \$30,000 allowed Colonel James H. Bailey of Pendleton by an order of Federal Judge Wolvertz, for his services as attorney for the receiver of the defunct Oregon Land & Water company, which operated at Irigon and was originally backed by J. Thorburn Ross.

The first agricultural survey of the state of Oregon has been begun. The survey has for its object the securing of reliable facts which will show to which of the agricultural pursuits the counties have been peculiarly adapted, and also to what extent the possibilities have been developed and may be expected to develop in the future under proper management.

COLONEL ROOSEVELT FORMS NEW PARTY

Progressives Meet and Nominate Ex-President; Denounce Taft Convention.

Chicago.—Theodore Roosevelt was nominated for president on an independent ticket. The nomination was made during the dying hours of the republican national convention in which Mr. Roosevelt met defeat.

The followers of Colonel Roosevelt met in Orchestra Hall, less than a mile from the Coliseum, and pledged their support to the ex-president.

Colonel Roosevelt said he accepted the nomination with the understanding that he would be willing to step aside if it should be the desire of the new party when organized to select another standard bearer.

Governor Johnson, California's fighting chief executive, presided at the Roosevelt meeting. The colonel himself was there and addressed the conference.

At the close of his speech Governor Johnson recognized Senator Clapp, offered a series of resolutions, which were adopted, declaring that the Roosevelt delegates and alternates were elected by a majority of the republican voters of their respective districts and states to nominate Theodore Roosevelt for president and thereby carry out the will of the voters as expressed at the primaries;

that for five days they were denied justice in the national convention; that this result was accomplished by the action of the national committee in placing on the preliminary roll a sufficient number of fraudulently elected delegates to control the proceedings of the convention; that they had exhausted every known means to prevent this fraud upon the popular will but without success; that they were sent to the convention bearing specific instructions to place Roosevelt

in nomination and, therefore, deemed it their duty to carry out the instructions.

Completely New Party is Idea. A new party from the ground up is the Roosevelt program. After a series of discussions with his lieutenants, in which there were several clashes, Colonel Roosevelt decided, before leaving Chicago, to cut entirely away from the Republican party.

As an indication of his determination, he said that when he returned to Oyster Bay he would communicate with a number of Democrats he thought might wish to join the new party.

Governor Johnson said a national convention would be held late in July or early in August. The place has not been selected.

Committee Composed of 18 Members. Instead of seven members, as was the announced intention, Governor Johnson named 18, all of whom have accepted. The committee is headed by Governor Johnson, who will be acting chairman. The others are: Senator Moses E. Clapp, Minnesota; Senator Joseph M. Dixon, Montana; Senator Miles Poladexter, Washington; Governor C. A. Aldrich, Nebraska; Governor R. S. Vessey, South Dakota; F. A. Van Valkenburg, editor of the Philadelphia North American; Colonel W. R. Nelson, owner and editor of the Kansas City Star; former Congressman Richmond Pearson, North Carolina; William R. Frenders, New York; James B. Garfield, Ohio; William Allen White, Kansas; Clifford Pinchot, California; Judge Dea B. Lindsey, Colorado; Mathew Hale, Massachusetts; George L. Reed, New Jersey; Charles H. Thompson, Vermont; Colonel F. C. Carrington, Maryland.

Joint Maneuvers to be Extensive. Washington.—President Taft has sent a special message to congress recommending the immediate appropriation of \$1,250,000 for use of the war department in the joint maneuvers of the regular army and the national guard next month.

Green Aphid. Destroys Vetch Fields Monmouth.—In the vicinity of Buena Vista and other parts of the Luckiamute river valley, south of this city, several fields of vetch have been totally destroyed by the green aphid. It is not known how rapidly the pest will spread over the fields. So far, no crops have been harmed outside of those in the Luckiamute valley. The aphid has not visited this section of the country since the season of 1910, when the clover crop was entirely ruined.

Many Realists. First Paris Artiste—Ty got pit and salt was so pretty? Second Artiste—But is for a marine picture. I make no paint salt; sen when an English pit said fingers to salt like say: "But is wonderful; almost taste no salt on ocean. Sea my lily."—Satire.

Lin County Rock Crushers Show Up Lebanon.—One of the Lin county rock crushers was blown up by dynamite on the county road about seven miles east of Lebanon in road district 22.

Country's Attention Turned to Baltimore. Political interest of the country has shifted from Chicago to this city, where the democratic national convention convened Tuesday to nominate candidates for president and vice-president and adopt a platform.

The convention was called to order by National Chairman Norman B. Mack, the call for the convention read by Secretary Urey Woodson, and the opening prayer made by Cardinal Gibbons.

While there has been a spirited prevention fight for delegates among the presidential candidates, no such bitter feeling marked the contest as that which developed in the republican party between Taft and Roosevelt. A spirited fight, however, developed over the selection of a temporary chairman.

The sub-committee on arrangements appointed by the national committee selected Judge Alton B. Parker, of New York, a former democratic candidate for president, as temporary chairman. Bryan threw a bombshell into the national committee when he wired all the presidential candidates from Chicago where he was reporting the republican convention, protesting against the selection of Judge Parker. Bryan claimed that Parker was a reactionary and that a progressive should be selected for the place.

Parker Made Temporary Chairman. Notwithstanding the objections of Bryan, Parker was chosen as the candidate for temporary chairman by the national committee. Parker received 31 votes, Senator-elect James H. Hamilton 26, and Senator O'Grady of New York 2. Donnelly, of Idaho, voted for Parker and Miller, of Oregon, and Dunphy, of Washington, voted for Ollie James.

A last desperate effort to avert a bitter factional fight was made by the Bryan forces when the Democratic convention took up the problem of selecting a temporary chairman. So sharp did the lines divide that W. J. Bryan himself became a candidate for the temporary chairmanship. He was defeated. Alton B. Parker was elected.

After Bryan had made a speech nominating Senator Kern, of Indiana, and attacking Alton B. Parker, Kern went on the stand. He made a plea for harmony, asked Parker to join him in withdrawing from the contest for temporary chairman, and substituting any one of a list of several men. After waiting in vain for a reply from Parker, Kern himself withdrew and nominated Bryan.

King Committee for Oregon. Will R. King was elected national committeeman for Oregon, to succeed M. A. Miller. The delegation chose Thomas G. Burke, of Baker, chairman, Herman Wise, of Astoria, secretary, and selected the following to serve on the various committees: Credentials: Victor P. Moses, Corvallis; resolutions, A. S. Bennett, The Dalles; rules, Frederick V. Holman, Portland; permanent organization and order of business, James W. Meloney, Pendleton; committee to notify presidential nominee, Dan W. Sheehan, Enterprise; committee to notify vice-presidential nominee, Mark Holmes, Rickreall.

While harmony prevailed in the Oregon delegation the Washington delegation at their meeting indulged in a long wrangle. After a superfluous oratory the delegation got down to voting and elected W. G. Merritt, of Seattle, chairman, and John Drumheller, of Spokane, secretary.

Washington Makes Appointments. Committee on resolutions, W. W. Bisco, of Everett; credentials, W. A. Ritz, Walla Walla; rules, Floyd Hatfield, North Yakima; permanent organization, Thomas Horner, Seattle; notification of presidential nominee, Hugh Wallace, Tacoma; notification of vice-presidential nominee, D. M. Drumheller, Spokane; honorary vice-president, J. A. Mundy, Vancouver. Mr. Arkwright-Hutton, of Spokane, the only woman delegate, and one of two women delegates in the Baltimore convention, was made vice-president of the delegation.

COOS BAY WORK STARTS

Contractors Are at North Bend Awaiting Equipment.

North Bend.—Assurance that construction work at this end of the line on the Eugene-Coos Bay extension of the Southern Pacific will begin as quickly as machinery can be brought here is given by representatives of Hearshorn brothers and Park company who hold the contract for building the railroad.

It is stated that the contractors will begin work at this end of the line as soon as machinery can be brought here. No regular sub-contractors have been let, but a part of the work will likely be done by other contractors, thus relieving the main contractors of a part of the work. Within 30 days, it is stated, the building of every mile of the track will be arranged for. The equipment which will be used by now in Arizona and its shipment to this point will be started at once. It is the intention of the contractors to make North Bend the distributing point.

Willie May Clean up Ross House. Salem.—During his intention to call out a carefully selected squad of Oregon militia to wage a campaign against immoral conditions in Multnomah county, Governor West made a statement that is expected to be like the explosion of a bombshell in the camp of his victors.

I intend to see that road houses are quickly, effectively, and consistently cleaned out," said Governor West "not only in Multnomah county, but in every part of the state where officials have failed to enforce the law."
