

**KENWOOD CLOTHES**  
 Absolutely guaranteed by ourselves and the makers

The Style of Tomorrow.  
 Quality Today and Every Day.

**WOULD** you purchase a watch which was not guaranteed; or put your money in a bank which was not absolutely safe; or go to sea in a leaky boat?

Don't take a chance when you buy clothes. It is not necessary; we will be glad to sell you clothes which have both a service and style guarantee; clothes which don't blare or blaze, but which "get there" gracefully and positively. They are tailored by specialists who make only a distinct part of a garment, even then they cost you no more than a cheaper made clothing

The young people of Moro and Monkland had a good time at the Rudolf opera house last Friday evening, the occasion being a Hard Times dance given by the management. Another dance is scheduled for February 8th and again this month an all night dance will be given on the evening of St. Valentines day.

A nurseryman of Coquille, Oregon, claims to have perfected a coreless apple and expects to have it on the market next season. Its discoverer has been experimenting on the new variety for twelve years; it is the size of the average apple, is greenish in color and will be known as Crosby coreless and seedless, after its discoverer.

George Russell, a farmer near Bend, has butchered 170 head of hogs this winter and expects next year to double the number. He is credited with having 58 of the best brood sows in the country. The same farmer made a shipment of fat stock to Portland last month and received the highest price ever paid for cattle west of the Rocky Mountain.

W. A. Woods and family returned from their visit to California last Sunday; W. A. says because he was froze out down there. Mr. Woods brought back a little silver and quite a collection of pennies. He said that in California all stores and shops insist that the exact change be given and received. Even the meat markets charge and collect the odd cent.

Dr. Sanders was called to the George Hennagin farm Tuesday to attend a horse suddenly taken sick at the Boardman school house Monday noon. The horse is one the girls drive to school each day. Monday evening Mr. Hennagin had succeeded in getting the animal as far as the Damon farm and Tuesday afternoon he was taken the rest of the way home.

**Novelty Day at Moro School.**

Some time ago it was decided by unanimous vote of the Moro High School students that the last Friday in each month should be novelty day. Friday 31st, was the first observance of this agreement. At 9 o'clock a. m. the boys appeared in the sacred precincts dressed in overalls, sweaters mismatched shoes and socks, hats of every description, and neckties of various colors. At one o'clock the girls appeared in kitchen aprons, wearing their hair braided down their back and tied with large ribbons. To the students the appearance was very amusing, but no one would attempt to interpret the teachers' thoughts.

**Auto Owners Object to More Taxes.**

Willamette valley automobile owners are opposing the bill now before the senate taxing their machines 50 cents per horse power per year. They claim that automobiles are now taxed the same as other personal property and also pays a yearly license tax into the state treasury and think three different species of taxation on one machine is too much.

The trouble with the average man is that he wants to reap his reward before it is ripe.

**His Sense of Touch.**  
 "A country grocer," said a lecturer, "was talking to a throng of customers about the wonderful sense of touch that the blind have. 'Here comes old blind Henry Perkins now,' said the grocer. 'We'll test him.' And he took a scoopful of sugar and extended it to the old man. 'Feel this, Henry,' he said, 'and tell us what it is.' 'The blind man put his hand in the scoop, passed its contents through his fingers and said in a firm, confident tone, 'Sand.'"

**Man Found with two Appendix.**

Surgeons operating upon a man for appendicitis at Scranton, Penn. January 29th found that he had two such organs. When the incision to the appendix had been made and while the surgeons were about to remove it, they discovered a twin appendix, located about three fourths of an inch away, and took that one out too. The owner of the two is well on the way towards recovery.

Unexpected crops some times comes to a farmer. While plowing a field near Rome an Italian farmer unearthed an earthenware vase containing 5300 silver coins of the Roman Republican period. The vase weighs about 50 pounds. Most of the coins are rare specimens and are in admirable state of preservation. The Italian government gave the farmer \$25,000 for his find and had the coins removed to the Ancona museum for identification. Only half of the coins have yet been examined but the find is estimated to be worth more than \$1,000,000.

One of the Holt 60-horse power Caterpillar engines, such as Geo. N. Crosfield sells, is engaged in clearing the land in the Catskill mountains New York that will be used for the great reservoir site for the New York city water supply system. The engine averages a tree a minute in leveling the 8,000 acre reservoir site. This is the first forest ever denuded this way, when the Caterpillar starts the trees come, roots and all.

A woman at Junction City Oregon; has practically recovered from a peculiar malady. She would go to sleep and sleep from one to two days. During these sleeping spells it was impossible for the family to awaken her. Her longest sleep lasted three days, or 72 hours. During the time that she was asleep there was a constant jerking and twitching of the muscles.

A farmer recently died at Oregon, Illinois, who has since been found to be worth more than a million dollars. He left no will and has no known relatives. Among the property found was stock in oil companies, railroads, banks, and other companies that have increased in value an average of 500 times since they were bought by him.

A shipment by parcel post of live lobster and shrimps was held up at New York last week. The package was addressed to Philadelphia.
