REPEATING SHOTGUNS

What is your preference in a repeating shotgun—hand-operated or autoloading?

If hand-operated, you know the Remington-Union Metallic Cartridge Co. Everybody knows it.

If autoloading, then get your dealer to show you the Remington-Union Autoloading Shotgun—an arm that is performing in a way to show sportsmen that here at last is an autoloading shotgun that works.

Remington-Union Repeating and Autoloading Shotguns are sold by dealers everywhere. Find the one who shows the Red Ball Mark of Remington-Union—the sign of Sportsmen's Headquarters. He's the man.

To keep your gun cleaned and lubricated right, use Rem Oil, the new powder solvent, rust preventative, and gun lubricant.
