What the Tum-A-Lum Method of Selling Lumber is.

The output of the world's greatest sawmills brought to our yard in your town at the lowest possible cost and without the addition of a single cent of selling expense. We buy from the world's open market.

A complete service department, composed of skilled architects and expert estimators who plan your buildings along the most modern and efficient lines, and quote you a price in advance which we guarantee will cover every bit of material necessary to complete your building, - no charges for "extras."

A sales policy worked out after three years of constant study that gives every body a square deal and guarantees all customers absolute satisfaction and the right price.

If you are contemplating erecting a building of any kind, you owe it to yourself to come in and let our local sales manager tell you all about the Tum-A-Lum Method. You, too, can get the benefit of our Material Saving Plans, Guaranteed Material Lists, and the One Right Price.

for Hood River where he will
spend the 4th. Mrs. B. has been
visiting with relatives at that place
some weeks.

The services of the Union Sun-
day School at Demoss on the 4th
will be conducted by G. A. Simon
president of the Sherman County
Sunday School Association.

John Hastings is so well pleased
with the work done on his farm
by the Tomlin weeder that his
neighbor, Grant Morgan, decided
that he also would have one and
came in after it this week.

C.R. Belshee has had the Moro
meat market auto delivery car put
in order for the harvest. Those
wanting deliveries during harvest
are desired to notify the market
before definite routes are arrang-
ed.

A Meritorious Institution

Established as a Bank in 1896 by Moore Bros. with a capital
of \$10,000; capital increased in 1903 to \$20,000;
changed to a State Bank in 1907 with a capital
of \$25,000; TODAY with a capital and
surplus of \$34,000 and total re-
sources of \$102,000 we are

BETTER,

BIGGER,

AND

STRONGER than ever.

During the 19 years of our existence, our aim has been to ex-
tend our patrons the best possible service. Our steady growth
is evidence that the banking institution, which throws the great-
est safeguards around its business in order to protect its depos-
itors, merits the confidence of the public. If you are not a
customer of this Bank let this be your invitation to become
one; our relations will be mutually profitable.
