What the Tum-A-Lum Method of Selling Lumber is.

The output of the world's greatest sawmills brought to our yard in your town at the lowest possible cost and without the addition of a single cent of selling expense. We buy from the world's open market.

A complete service department, composed of skilled architects and expert estimators who plan your buildings along the most modern and efficient lines, and quote you a price in advance which we guarantee will cover every bit of material necessary to complete your building, - no charges for "extras."

A sales policy worked out after three years of constant study that gives every body a square deal and guarantees all customers absolute satisfaction and the right price.

If you are contemplating erecting a building of any kind, you owe it to yourself to come in and let our local sales manager tell you all about the Tum-A-Lum Method. You, too, can get the benefit of our Material Saving Plans, Guaranteed Material Lists, and the One Right Price.
