THE hail fellow well met, the man who spends as he goes, is popular just so long as he is a hail fellow well met, so long as he spends as he goes. His fair weather friends leave him the minute he is in financial distress. Don't be one of these kind. If you are making big money plan to set aside a certain sum in bank. You'll find that if adversity comes a goodly bank balance is your best friend. If you already have a bank account make it a point to keep a healthy balance, a good margin to work on. If you haven't a bank account open one with us today.
